**PILLS.**

**CURE**  
Sick headache and relieve all the troubles that  
lead to a bilious state of the system at an  
early stage. Headache, Dizziness, Distress after  
eating, Pain in the side, etc. Their most  
remarkable success has been shown in curing

**SICK**  
Headache, yet Carter's Little Liver Pills are  
equally valuable in constipation, curing  
and preventing this annoying complaint, while  
they also correct all disorders of the stomach,  
stimulate the liver and regulate the bowels.  
Even if they only cure

**HEAD**  
Ache they would be almost useless to those  
who suffer from this distressing complaint,  
but fortunately their goodness does not end  
here, and those who have tried them will find  
these little pills valuable in so many ways that  
they will be willing to try them at once, and  
not after all sick head

**ACHE**  
is the basis of so many liver troubles that  
we make our great boast. Our pills cure it  
while others do not.  
Carter's Little Liver Pills are very small  
and very easy to take. One or two pills make  
a dose. They are strictly vegetable and do  
not grip or purge, but by their gentle action  
cleanse all who use them from all the dirt and  
filth that has accumulated in the bowels. Write  
to J. H. Carter, Little Liver Pills, or send by mail.
