BY THE COURT. A CARD. EDITOR CITIZEN:-The Grand Jury this term makes a presentment in wh reference is made to the Commission office, casting reflection on the pres office, casting reflection on the present board for alleged non-performance of duty. Ordinarily we pay no attention to criticism, but this presentment is so misleading we thought a short reply would give the people the facts. In the irregularities in the Commissioners' office we did what was considered best for the interests of the people whose money we disburse. We discovered some warrants irregularly drawn by one of the board, ferreted them all out and at once took measures to have the money refunded. This we accomplished, every cent improperly drawn was returned, demanded and received the resignation. the money refunded. This we accomplish-ed, every cent improperly drawn was re-turned, demanded and received the resig-nation of the one who did it, and when the money was returned, the party out of of-fice, we considered the interests of the people were properly cared for. The a counts of the Commissioners' office had thorough overhauling by the Auditors, everything reported by them to correct, wit a balance of about \$26,000 available assets a balance of about \$26,000 available asset When we came to consider what furth duty, if any, there was devolving on a we were advised that the Commissione were not prosecuting officers and did not then feel justified in putting the county expense when nothing was to be gained it for the people. If the gentlemen of the fenders, as they seem to, any one of the if a taxpaver, can step in, the facts are a
