

**CARTER'S LITTLE LIVER PILLS**

**CURE SICK HEAD**

Archbishop Cullen was making his periodical tour of inspection in the Dublin Sunday schools. "Kate Molony," said to an intelligent-looking girl, "explain the meaning of the sacrament of holy matrimony." "A pause," said the girl, "I don't know, but I know that it is a sacrament before entering purgatory." "Go to the bottom of the class, you ignorant girl," cried out the local clergyman, very much ashamed of his pupil. But the Archbishop stopped him. "Not so fast, Father Patrick—not so fast. The lass may be right after all. What do you or I know about it?"

**ACHE**

It is the best of many things that there is where we make our great boast. Our pills cure it while others fail. Carter's Little Liver Pills are very small and very easy to take. They are strictly vegetable and do not grip or purge, but by making the liver and stomach active they will cure the most obstinate cases of headache, dizziness, and all other ailments of the head.

**WHY YOU SHOULD USE SCOTT'S EMULSION**

It is used and endorsed by Physicians because it is the best. It is Palatable as Milk. It is three times as efficacious as plain Cod Liver Oil. It is far superior to all other so-called Emulsions. It is a perfect Emulsion, does not separate or change. It is the best remedy for Consumption, Scrofula, Bronchitis, Wasting Diseases, Chronic Cough and Colds.

**Kate's Shrewd Guess.**

Archbishop Cullen was making his periodical tour of inspection in the Dublin Sunday schools. "Kate Molony," said to an intelligent-looking girl, "explain the meaning of the sacrament of holy matrimony." "A pause," said the girl, "I don't know, but I know that it is a sacrament before entering purgatory." **What She Meant.**

They had been engaged for a long time, and one evening they were reading the paper together. "Look, love," he exclaimed, "only \$20 for a suit of clothes." "It is a wedding suit!" she asked, looking naively at her lover. "Oh, no," he answered, "it's a business suit." "Well, I mean business," she replied.

**Buying at Wholesale.**

An old fellow at Jansville, Ill., wanted to buy some pigeons for a pot-pie, but being an economical man, thought fifteen cents a pair entirely too much. Instead, he offered fifty cents for half a dozen. The surprised merchant of course consented, and the old man went home, admiring his economy and pigeons.

**The Pride of His Class.**

He was a bright, handsome boy of sixteen, sunny-tempered, brilliant and engaging, the delight of his parents, the joy of his home, and the pride of his class. But a shadow fell across his bright prospects. It began with a trifling cough; soon came premonitions of consumption, his strength failed, his cheeks grew hollow, and he seemed doomed to an early grave. Then a friend advised Dr. Pierce's Golden Medical Discovery. He tried it and was saved. Health and strength returned, his cheerful voice rang out again across the school playground, his cheeks again grew rosy, his eyes bright. It is again the pride of his class, and he graduates this year with highest honors.

We had to give it up. Boys should not ask so many questions.

TO BE BUILT BY THE LADIES,

Without the aid of millionaires or moneyed men.

For this purpose the Gilbert Mfg. Co. are making a special cloth for ladies dress linings, the best for the money they have ever placed on the market, and which can be sold at 20cts per yard.

Now the ladies of the United States can buy enough in six months to complete the monument, and thereby accomplish what the gentlemen have been unable to do in six years.

A percentage of all the purchases goes into the treasury of the Grant Monument Association. This plan enables every lady to be able to say that she contributed something towards the erection of this monument.

It is a matter of history that the ladies were obliged to come to the rescue in order to complete the monument on Bunker Hill.

To prevent deception, we have caused the name "Grant Memorial Twills" to be printed on the selvage of every yard of this cloth.
