Knew His Business.

"I love you more than life, my sweet,
And ever for your presence pine;
Oh! make my happiness complete;
Say, darling, that you will be mine. A flush the maiden's face passed o'cr, And, as her eyes like diamonds shom She asked: "Pray, do you love me mot Than any other girl you've known?"

The votth replied with earnest mien:
tirace, sweetness, goodness, loveliness
In one girl only have I seen,
And who she is you well can guess."

Upon his manly breast her brow Fell with a soft and gentle thud; Then rose a sound, as if a cow Its hoof were drawing from the mud.

A Woman 200 Years old.

A case is on record of a woman who ived to this advanced age, but it is scarcely necessary to state that it was in "the olden time." Now-a-days too many women do not live half their allotted years. The mortality due to functional derange-ments in the weaker sex is simply frightal, to say nothing of the indescribable suffering which makes life scarcely worth the living to so may women. But for these sufferers there is a certain relief. these sufferers there is a certain reach.

Dr. Pierce's Favorite Prescription will positively cure leucorrhea; painful menstruation, prolapsus, pain in the ovaries, weak back; in short, all those complaints to which so many women are martyrs. It is the only guaranteed cure, see guarantee

I will forfeit the above amount if I fail to prove that Floraplexion is the best medicine an existence for Dyspepsia, Indigestion or Biliousness. It is a certain cure, and affords immediate relief, in cases of Kidney and Liver Complaint, Nervous Debility and Consumption. -As an unique specimen of tautological expression we have heard nothing more flagrant than the remark made by a gentleman the other day. In speaking of an old acquaintance who had taken his own life, he said: "He committed suicide on him-self by blowing his brains out, from the effects of which he died."

Consumption Surely Cured.

To The Editor: Please inform your readers that I have a positive remedy for the above-named lisease. By its timely use thousands of hopeless saces have been permanently cured. I shall be glad to send two bottles of my remedy FRES to any of rour readers who have consumption if they will not me their Express and P. O. address. Respectivily, T. A. SLOCUM, M. A man who, upon abstract rinciples, pronounces a constitution to be ood, without an exact knowledge of the good, without an exact another of the people who are to be governed by it, judges as absurdly as a tailor who should measure the Belvidere Apollo for the clothes of all his customers.—Macaulay.
