GOOD CLOTHING CHEAP.

Who would pay 25 per cent more for good clothing than the same or an equally as good could be procured for.

Yet this is continually being done by persons wanting clothing for lack of knowledge where to find the closest bargains.

As large figures (we are running two stores) we are enabled to purchase our goods at closer margins.

This enables us to sell at closer figures. Get posted on our prices before purchasing.

Come and see the largest assortment of styles for your selection. Don't pay this year's prices for last year's goods.

The new styles out to-morrow and are decidedly better.
