Boots, Shoes and Slippers

DURING THE COMING WINTER.

We specially announce such extensive preparations of goods, for our Spring Trade, in Boots, Shoes and Slippers, that we have been compelled to make room for them by selling off our present stock at a great sacrifice. Many of the goods are bought for cash, and will be sold for cash, and at prices that will astonish the trade. Slippers, rubbers and overshoes, &c.

We have just returned from the Eastern markets, where purchases have been made for the spring trade. The new goods will arrive early in order to make room, and as a very large stock of goods is to be sold, we have concluded to make prices that will move them. Many of the goods are bought for cash, and will be sold for cash, and at prices that will astonish the trade. Slippers, rubbers and overshoes, &c.

The regular season sale is approaching, and a great many customers will no doubt require heavy goods. Remember that we have a large stock of heavy goods, and will be able to supply you with anything you may require in this line. Slippers, rubbers and overshoes, &c.
