MISCELLANEOUS.

HISTORIC TRUTH.

Why did he cross the Rubicon?
Why dare its rushing tide!
Because great Julius Cæsar wished
To reach the other side.

—Dr. Fenner's Kidney and Backache Cure is warranted to give satisfaction in every case or money returned.

—Congress ought to issue a sufficient amount of fractional paper currency to facilitate exchange through the medium of the United States mail. The people found it useful, and it never ought to have been abolished.

—Dr. Fenner's Cough Honey will relieve any cough in one hour. Equally good for horses. Gives energy and strength. Money refunded if satisfaction not given.

—A school teacher is authority for the assertion that pupils who have access to newspapers at home when compared with those who have not, are better readers, better spellers, better grammarians, excel in pronunciation and read more understandingly, and obtain a good knowledge of geography in almost half the time it requires others.

FITS.—All fits stopped free by Dr. Kline's Great Nerve Restorer. No fits after first day's use. Marvelous cures. Treatise and $2.00 trial bottle free to Fit cases. Send to Dr. Kline, 931 Arch St., Phil'a, Pa.

—Nothing opens so wide a door to vice, to crime, to evil habits of every discription as the absence of occupation. The downward course of many a promising youth, the ruin of many a hopeful life, may be distinctly traced to the void caused by having nothing to do. The faculties must be at work, and if not employed for good they will be for evil.

One Thousand Dollars.

I will forfeit the above amount if I fail to prove that Floraplexion is the best medicine in existence for Dyspepsia, Indigestion or Biliousness. It is a certain cure, and affords immediate relief, in cases of Kidney and Liver Complaint, Nervous Debility and Consumption. Floraplexion builds up the weak system and cures where other remedies fail. Ask your druggist for it and get well. Valuable book "Things Worth Knowing," also, sample bottle sent free; all charges prepaid. Address Franklin Hart, 88 Warren street, New York.

—A girl thoughtlessly told a friend that the names of the donors would not be displayed with the presents at her wedding. Of course the news got abroad, and when the day came not even the presents were displayed. They consisted of 36 plated sugar spoons and 19 salt sprinklers.

Consumption Surely Cured.

To THE EDITOR:—Please inform your readers that I have a positive remedy for the above-named disease. By its timely use thousands of hopeless cases have been permanently cured. I shall be glad to send two bottles of my remedy FREE to any of your readers who have consumption if they will send me their Express and P. O. address. Respectfully, T. A. SLOCUM, M. C., 181 Pearl St., N. Y.

—The cold weather has started the children talking about Christmas.

To Consumptives.

The undersigned, having been restored to health by simple means, after suffering for several years with a severe lung affection, and that dread disease Consumption, is anxious to make known to his fellow sufferers the means of cure. To those who desire it, he will cheerfully send (free of charge) a copy of the prescription used, which they will find a sure cure for Consumption, Asthma, Catarrh, Bronchitis and all throat and lung Maladies. He hopes all sufferers will try his Remedy, as it is invaluable. Those desiring the prescription, which will cost them nothing, and may prove a blessing, will please address REV. EDWARD A. WILSON, Williamsburg, Kings County, New York.

confines his practice to such cases only as are so clearly and fairly developed as to make a complete and positive diagnosis without questioning or allowing patients to make a statement of their condition. On this basis of positive diagnosis for treatment, Dr. Clark's experience has become strictly unlimited by a thirty years' practice which in extent, variety and successful results is equalled by few and excelled by none. Dr. Clark's assistant, Mrs. Kinney, will give especial attention to the examination and application of all necessary appliances in the treatment of women.

Dr. Clark teaches and practices positive diagnosis, and by confining his practice to fully developed chronic diseases of men and women has attained unusual success in the treatment of many so-called incurable maladies, and can be consulted free of charge at
