ase of Private disease peculiar to either sex, no matter of what nature or of how long standing. Major J. M. Davidson, ex-President of the Lawrence County Wool Growers' Association, and a citizen well known in the county, freely gives the following testimonial to the ability of Drs. Salm & McClellan. The Major says: "I was suffering greatly from a Polypus and with Inward Piles. I had tried local treatment and much medicine with no avail I read the advertisement of Drs. Salm & McClellan and I concluded to give them a trial. At their last visit to this city they declared me cured and they discharged me. I feel now like a new man. They did everything they agreed to and treated me courteously. They did me a world of good and relieved me of all suffering."

NEW CASTLE, PA., July 7, 1890. I have been suffering from Insomnia (Sleeplessness) and general nervous prostration, dependent upon the former disease for more than three years. I became so weak that I would not be on my feet for an hour at a time; appetite was miserable. I went to Mt. Smai Hospital at New York City, but without the least benefit. I put myself under care of Drs. Mc-Clellan & Salm, who visit New Castle every four weeks, and am now as

well as ever, hale and hearty, minus all defects of health. MAGGIE S. GIBSON, Box 161. These are but two of the many cures effected by the doctors on their visits here. They have several other testimonials of wonderful cures which will be published later.

MADE THE LAME WALK WITHOUT CRUTCHES.—For eight months past I haven't been able to walk without a pair of crutches. Duting first month's treatment with Drs. Salm & McClellan I have been able to put one aside and at the next visit came to their office without any. I am certain that I'll be entirely cured soon. Although under treatment of home dectors begun to get worse and worse.
