# THE CITIZEN. MISCELLANEOUS.

"Natural History"

A class in natural history was called up for recitation. The teacher talked of friendship between man and animals, and then asked a girl: "Do animals really possess the sentiment of affection?"

"Yes, almost always," said the little girl. "And now," said the teacher, turning to a little boy, "tell me what animal has the greatest natural fondness for man?"

"Woman!" said the boy.

The indifference with which so many people regard a cough or cold is truly remarkable. These affections often lead to consumption, and should be checked in time by use of Dr. Bull's Cough Syrup. Price 25 cents a bottle.

No misrepresentations are needed to sell Salvation Oil. It is an honest article. Only 35 cents.

Does Advertising Pay? EVERY REAL-LIVING BUSINESS MAN will tell you that it does if you do it properly. It is the best way to get your goods known.

Chronic catarrh quickly develops into consumption. Hood's Sarsaparilla cures catarrh.

Ginseng is selling at \$4 a pound in Brockwayville.

For headaches, biliousness, constipation, dizziness, sleeplessness, the blues, nervousness, the brain and all skin diseases, Dr. Fennell's Kidney and Bladder Remedy and Nerve Tonic never fails. Warranted to satisfy or money returned.

Seed dealers destroy their surplus stock every fall.

Dr. Fennell's Cough Syrup will relieve any cough in one hour. Equally good for horses. Gives energy and strength. Money refunded if satisfaction not given.

Congressman Kilgore's boot is starting on a dime amount tour.

One Thousand Dollars. I will forfeit the above amount if I fail to prove that Phlegmation is the cause of all cases of Bronchitis, Indigestion or Biliousness. It is a certain cure, and restores health to all who are afflicted with these troubles.

Consumption Surely Cured. Dr. T. A. Mendenhall, M. D., 181 West 8th St., N. Y.

The only safe way to avoid a man's example and take his advice.

Red wax in a hat or bonnet brightens the color of the face, but around the neck it deadens the complexion.

I told you yesterday, "said the teacher to her class of juveniles, "about the difference in the two words there," pronounced alike, but spelled differently. Does any one remember to-day?" "Yes, ma'am," said Sadie Smart; "all there, and 'stay' there."

The most perfect and the most potent remedy for sleeplessness is to drink hot water. One who tries it will find himself going to sleep like an infant, and getting the most restful and peaceful sleep imaginable.

—Jesse Pomeroy, the once notorious boy friend, now a man serving out his life in prison, in the Massachusetts state prison, at Charlestown, made a vain effort to escape by sawing the bolts off his cell door but was discovered.

To Consumptives. The undersigned having been restored to health by simple means, after suffering for years from consumption, and after trying all the latest and most expensive remedies, and after being attended by the most skillful physicians, and after spending thousands of dollars, and after being confined to his bed for many months, he is now able to do all the work of a man, and is in the enjoyment of the best of health. He is now in the enjoyment of the best of health. He is now in the enjoyment of the best of health.

CAUGHT ON THE FLY.

We were fishing on the sly And caught on the fly, Just above the eye.

Catching a sucker is an easy thing. We are not after that kind of game. The fact is we've got no bait for suckers in our store. We are after whales. Our bait is bargains; genuine bargains, remember, real bargains. We don't use artificial bait, got up just to catch custom. About one man in ten does not trade with us. We're after that one.

Another one in ten does not know that the other nine of his fellow mortals have come to the conclusion that it is always safest to trade with Heck. We are after that man. About one man in ten does not know that his neighbors are saving money, because they trade with Heck. We are after that man with a big stock, big bargains, big prices, with fair dealing, and we expect to get his trade. Are you the tenth man? We are after you. We have got the strongest line of first-class goods ever offered for sale in this market. It is this fact and our extra low prices that makes our present bargain offer the great event of the season for us. Our principle is to save money, because they see what we offer and they will be convinced that our truth is stranger than fiction. We depend on facts, not fakes, to win us custom and increase our ever-growing business. As we said before we have no bait for suckers. A man bright penny will please a child, but you would not think of giving a man a penny; the idea then of offering a man or woman a penny bribe to draw their custom. Yet that is just what is offered where a reputed dealer article is marked at 90 cents or a \$10.00 article is marked 99.99, or still worse, a reputable 15-cent article marked out only 19 cents or a 25-cent article marked out only 29 cents, a 35-cent article marked only 49 cents. These are called bait and so they are, but only sucker bait, and you will see suckers jump for miles and swallow them whole. We consider such bait too small to go fishing for custom with, too small for a large firm and quite too small for us. Our principle is to save money, because they see what we offer and they will be convinced that our truth is stranger than fiction. We depend on facts, not fakes, to win us custom and increase our ever-growing business. As we said before we have no bait for suckers.
