## THE CITIZEN. MISCELLANEOUS.

Curious Words.

It is said there are only two words in the English language which contain all the vowels in their order. They are "aunt" and "uncle."

—The great Kingza (victor) on the Erie road, near Bradford, is to be painted the coming summer. It will take a large force of men about four months to accomplish the work, costing about \$20,000.

—Every certificate we publish regarding Dr. Bull's Cough Syrup is genuine and correct. It is a very difficult and dangerous disease to cure, and but few men will trust themselves to climb about the dizzy height of 300 feet from the ground. This will be the first time the bridge has received a coat of paint since it was built, about eight years ago.

—A Berlin horse-meat dinner costs 5 cents.

# Do you see the Point?

Well, if the man in our illustration does not see it, it is not because it is not near his eye. Now we want to place a pointer before your eye. The holiday season is fast approaching; Christmas is coming, in fact it's almost here. Already pleasant surprises are being planned; mysterious whispered consultations are being held, and packages of suggestive appearance are being carefully stowed in out-of-the-way places where they will be hid from prying eyes. A Merry Christmas is an old, old theme, yet always new. There is a general

ation of little toddlers who this year for the first time will listen at some loving mother's knee to wonderful tales of Santa Claus and other Christmas lore more wonderful than all the splendors evoked by Aladdin's lamp will be just as potent as ever in convincing the Young America of to-day that the holiday season is worth all the rest of the year put together.

Do we hear an impatient Yes, yes, but having become a man I have put away childish things? Wait a moment, reader. Does it not add dignity to the occasion to think that on Christmas morning a future President will concentrate his thoughts on a tin rattle with the same absorbed attention that he will one day devote to his inaugural address; that a coming Secretary of our Treasury will grapple with his first financial problem and get an idea of the difficulties of specie resumption by attempting the impossible feat of shaking that bright new copper out of his toy bank, etc. Then leaving the children, think of the pleasure derived from the exchange of gifts among the youth, the middle aged and the old; how it strengthens the ties of friendship and delights the loving hearts of dear ones to receive a proof of your fond remembrance and affectionate regard. Now do not wish to worry or perplex you, but as a pointer we would just say, What ever else you may do between now and New Year be sure and see our novelties before buying any gifts for your friends or relatives. Mind you, we don't say buy of us, we merely say see our attractions before you buy, and we would ask as a favor of you to bring the children along. We hope every little child in this vicinity will be allowed to visit our place during the next two weeks. In order to accommodate our many friends throughout the county we will begin our great holiday distribution on Dec. 15th, and continue until after the holidays. Come everybody and bring your friends and children along.

Thanking you for your very liberal patronage during the past year I wish you one and all a merry Christmas and a happy and prosperous New Year.
