St.

—Attention is called again to the fact that Mr. W.m. Campbell, Sr. of Butler, offers four prizes of \$20, \$15, \$10 and \$5 to the public school children of Butler county, for the best essays on "Reasons for the Total Abstinence from the use of Alchoilic Liquor and Prohibition of the Traffic." The competition is open to all children who attend the public schools of this county. The essays should not contain less than 500 or more than 800 words. In awarding the prizes the following points will be considered, force of argument, clearness, originality and literary style. The essays should be handed in to the committee not later than Aug. 1. The decision will be announced and prizes awarded in Sept.

The undersigned have been appointed a committee to examine the essays and award the prizes.

Jacob Ross, of Franklin, was in Butler last week, attending the funeral of his father. He lives about a mile north of Franklin, and is in the employ of the Standard Oil Co.

Mr. C. N. Ramsey has resigned the Secretaryship of the Y. M. C. A. at Beaver Falls, and has accepted a similar position at Jamestown, N. Y. The Beaver Falls Journal says: "During the time Mr. Ramsules and leaned from the bargare cur and the cur a Dr. Ford S. Dodds, of Anna, Ills., is the guest of his sister in law, Mrs. Lusk. He is a native of Prospect, practiced medicine at Harmony with Dr. Joseph Lusk, and at Centreville and went to Illinois some thirty-two years ago.

James McHenry, who built the old At-lantic & Great Western Railroad, now the well-known N. Y. P. & O., and afterwards had a lawsuit with about everybody he could, died on Monday in London.

James McHenry, who built the old Atlantic & Great Western Railread, now the crushed limestone for macadamizing roads, and streets; that a street or road properly shaped and covered with a foot of broken. It imestone and screenings, and rolled down, would list a long time; that a ton of the broken limestone would cover at least two square yards, one foot deep; that it made a better street on heavy grades than paying; that the price would not exceed \$1.50 per ton delivered in Butler, and that if the Council intended macadamizing any streets he would like to give them a bid on carload lots.

The minutes of the regular and special meetings held during May were then read and approved.

On the call for reports from standing committees, Mr. Perrine of the Water Committee and Solicitor had come to an agreement with the Water Co. at \$16.50 each per year for flush tanks and hydrants; and the contract was read and approved of. It runs for fives the work of the street in that neighborhood as bid upon by the contractor, but to raise the return curbs.

Mr. Harper of the special munittee on the grade of Man. St. were too near the surface, and should be lowered, and the Clierk was directed to notify the Water Co. He also spoke of the fire plug at Troutman's corner. Mr. Troutman wants to put in a composition parement, and wants the location of the plug definitely settled, and after the subject was discussed, a motion to place all the fire plugs and lamp posts by string the reverse of th

Smith, which is the state of the At Herr's Island, Monday, fair to meding & Bros., of Freeport, sold 500 head of still-fed steers to Jacob Shamberg, of New York, all for export; price private. THE OIL MARKET

Closed on Monday at 68, Tuesday at 69 wednesday at 70. The Pennsylvania Railroad's New The Pennsylvania Railroad Excursion Route Book for the season of 1891, just from the press is undoubtedly one of the most elaborate reference compendium issued by the railroad company in the world. The company this year has used new illustration printed on a very high grade of paper, while a decided departure from the old cover heretofore binding the work is seen in the new one, which is beautifully illuminated, and would do crdit to the brush of a Rossi, so cleverly French is it in every detail. The new map embraces a territory from Canada to the Carolinas, and from the British possession of New Bruns wick to beyond the Great Inland Lakes. When comparison is made with this volume of 272 pages, 100 illustrations, and over 1500 routes, a book which enters its year of manhood the first day of June, 1891 and the tiny pamphlet of 24 pages and 67 routes issued twenty one years ago by the Pennsylvania Railroad, and considered at the time a marvelous departure in railroad

Dress Goods and Trimmings. The very newest things in the market. Ladies', Misses' and Children's Wraps. Domestic Dress Goods, House Furnishing Goods,

all the latest things in fixtures. Ladies', Gents' and Chil-UNDERWEAR.

Gloves, Mits, Hosiery, everything kept in a first class Dry Goods, Carpet and Trimming Store. We cannot quote prices on all our immense stock and therefore write you to come in, examine the goods and get the

prices, whether you wish to purchase or not.

EMBRACE THE OPPORTUNITY Time Is Precious.

Never mind the picture. Go at once and see Huselton's new and attractive styles in Footwear.

We've lots of good things for you this season in fine foot-we

We've lots of good things for you this season in the loot-wear. Our spring Stock sparkles with advantages to you.

Ladies' Fine Shoes—fine and pretty styles at \$1, \$1.25; grand at \$1.50; extra fine at \$2, \$2.50 and up. These shoes are worth what we ask for them; but we don't say this or that shoe is worth \$4 and selling at \$2.50; this is an old chestnut. Our \$2 shoe is finer and better in every way than these so-called marked down shoes at \$2.50. It is a dishonest business and an imposition on the public
