Here we have lots of room and pay no rent and more than doubled our sales last year and expect to increase them as much this year. All who came last year to see if we had as large a stock and sold as cheap as we advertised said we were too modest in our declarations and said they did not expect to find half as much even after reading our advertisements. You know us now and of course will continue to deal here, but we must tell you we have twice as large a stock now as when you were here before and still cutting prices lower. To those who have never been here, we want you to come too.
