Mr. McCormick insisted that no an bouncement of his brother-in-law's death should be printed until private solvices had reached the Blaine family. "It would be a death to them all to receive the dread-fal news without preparation," said he. For this reason all information was held until 12 o'clock. "Mr. Blaine's death is due directlyito the ordeal he passed through as the chief di-rector of the interests of his father at the Minneapolis convention. He labored in-cessantly for several days previous to the opening of the convention, through its session, nor did he relinquish his labors after the nomination of Mr. Harrison. Mrs. Blaine sent word to her husband's office the day before that although her husband was unable to attend to any business, she through the would be at the office in a few days.
