Garbage, Nuisances and Debts

At the meeting of Council, Tuesday ev ning, Mr. Stamm of the Committee on garbage, reported that he and Mr. Harper had visited the city inspected the garbage furnaces there, and had agreed upon plans for a garbage furnace that would cost about \$500. He also stated that the Com mittee had decided that the acre of ground which had been offered by Mr. Duffy at \$50 per year, was too low-lying for the fur hillside and would therefore do better could be purchased from Mr. Roessing for \$400. The matter was debated, and it was decided to purchase the acre from Mr. Roessing and build the furnace immed

The Presidential Campaign of 1892 will, without doubt, be the most intensely interesting and exciting in the history of the United States, and country people will be extremely anxious to have all the general and political news and discussions of the day as presented in a National Journal, in addition to that supplied by their local paper.

To meet this want we have entered into a contract with the

The Leading Republican Paper of the UNITED STATES. which enables us to offer that splendid journal (regular subscription price \$1.00 per year) and "THE CITIZEN" for one year For only \$1.50, cash in advance.
