You have noticed

that some houses always seem to need repainting; they look dingy, rusted, faded. Others always look bright, clean, fresh. The owner of the first "economizes" with "cheap" mixed paints, etc.; the second paints with Strictly Pure White Lead

The first spends three times as much for paint in five years, and his buildings never look as well.

Almost everybody knows that good paint can only be had by using strictly pure White Lead. The difficulty is lack of care in selecting it. The following brands are strictly pure White Lead, "Old Dutch" process; they are standard and well known—established by the test of years:
