—The was no meeting of the Improvement Association last Tuesday night, as advertised. A few gentlemen, including Messrs Wick and Lusk who had their report ready, assembled at the door of the Huselton Hall, but it was locked; and another meeting will be called. Messrs Wick and Lusk visited the butter works at Laury, Pa., in Lehigh Co., and found at Laury, Pa., in Lehigh Co., and found everything as represented by Mr. Camp-

-A Butler girl recently found a lot of mother many years before they were married. The daughter read them to her mother, pretending they were of recent date, and substituted her own name for that of her mother's and the name of a young man, well known to both of them, for her father's. The mother was very much disgusted and has forbidden her daughter to have anything to do with a young man that will write such nonsense and sickening stuff.

-There are 33 telegraph poles to a mile on the railroad lines, and from this basis it is very easy to determine how fast a ing of 33 poles and subtract the number of ence will be the number of miles per hour onds for the poles to pass, the train is going 120 less 45, or 75 miles per hour. The nethod is as infallible as counting the clicks made by the car in passing over the joints in the track. The number of clicks heard in 20 seconds is the number of miles per down to 98c and \$1.15 hour the train is making. The length of the railroad rail is uniform everywhere.

-A comet is now visible to the naked eye in the northern heavens. It is not very bright but it is easily visible from tail, about three degrees long, pointing up ward. The comet may be found by trac ner of the bowl of the great dipper nearest the handle down through the star at the opposite corner. Continue this line nearly double the distance between them downward and the two stars just in the corne of the Ursa Major will be met. Just be west the comet is seen. It is being watched with interest by astronomers.

Fifth Avenue, Pittsburg.

Pennsylvania Exhibits at the Are ahead of them all, chiefly among Are ahead of them all, chiefly among them is the display of pure liquors manufactured in the State. It is conceded that no rye whiskies made in the world can equal those made in Pennsylvania, more especially Silver Age, Duquesne or Bear Creek. These three brands head the list of pure Ryes, and are so well known that every reputable dealer sells them. North, East, South and West they lead all others because they are pure; because they are reliable, and beause they are stimulants that strengthen and invigorate. They are reliable, and beause they are stimulants that strengthen and invigorate. They are sold at prices within the reach of all, and are sold upon their merits for purity and strength. Silver Age, \$1.00; Duquesne \$1.25; Bear Creek, \$1.00, full standard quarts. Ask your dealer for them; insist on having them, and if you cannot be supplied, send to Max Klein, Allegheny, Pa. Price list of all liquors sent on application. All goods packed neatly and securely.

Something unique even in these days of mammoth premium offers. it is the latest effort of Stafford's Magazine, a New York monthly of home and general reading.

The proposition is to send the Magazine one year for one dollar, the regular subscription price; and in addition to send during the twelve months: one each week.

Think of it. You receive a new and complete novel, by mail, post paid, every week for fifty-two weeks, and in addition you get the magazine once a month for twelve months, all for one dollar. It is an offer which the publishers can only afford to make in the confident expectation of getting a hundred thousand new subscribers. Among the authors in the coming series ting a hundred thousand new subscribers.

Among the authors in the coming series are Wikie Collins, Walter Besant, Mrs.

Oliphant, Mary Cecil Hay, Florence Marryat, Anthony Trollope, A. Conan Doyle, Miss Braddon, Captain Marryat, Miss Thackery and Jules Verne. If you wish to take advantage of this unusual opportunity, send one dollar for Stafford's Magazine, one year. Your first copy of the magazine and your first number of the fifty two novels (one each week) which you are to receive during the year will be sent you by return mail. Remit by P. O.
