ers in this state.

So they jumped into their buggies and Wednesday was devoted to business drove to Butler, and Nicholas got \$2,500 sessions which were held in the hall of the Of the 199 "tents of the order in this State, seven are in this county, ie at other, and they drove back to the lattin, and on the way the whole \$10,000 is put in a nice tin box with a lock on it, and given to Nicholas, and he took it home, and the young men drove back to Butler, put up their rigs and quickly disappeared.

One of the bankers suspected from Mangel's manners that something was wrong, and after he paid him the money, he follow.

At the session of Wednesday E, S. gel's manners that something was wrong and after he paid him the money, he follow ed him down to the Pittsburg hridge and At the session of Wednesday E, § Watson was re-elected State Commander as him down to the Pittesburg Lange and as him get in a bugg with a stranger, then he reported the matter to the police; and there was a basty drive out to Mangel's, so hasty that they passed the strangers on their way back to Butler. The and W. E. Blaney, of Oil City, was redected State Record Keeper; F. P. Wares Prof. W. A. Beer, of Clarion, was elected Finance Keeper; Rev. C. B. Gruver re

ter advising the old man not to ge my more. When Mangel took ey from his coat pocket to put it ox part of it—some \$600—stack money from his coat pocket to put it in the box part of it—some \$600—stack to his pocket, and he ought to use a part of that in buying a newspaper or two.

Another story is that but one of the men the large sandy-complexioned one, first put in an appearance here, and that while Mr. Mangel was showing him over his farm, Wednesday merning, the other, the small dark fellow, met them, talked foolishly, showed them the card game, and told them they had won it they meant ising, showed their the case game, told them they had won it they in business; and that Mangel and the fellow came to Butler as partners to the money and beat the little fellow of his \$5,000.

of his \$5,000.

The money changed hands in the woods the other side of the second till gate; Mangel walked the rest of the way home, and the two strangers drove back to Butler.

Mangel was so sure the \$10,000 was in the tin box that he at first refused to let the officers open it, or even to come to Butler with them.

University Extension. University Extension.

The second series of University Extension lectures will begin at 8 p.m., Saturday, September 30, in Seneca Hall.

The subject of the course is English Literature. The lecturer, Dr. W. Clark Robinson, was a successful and experienced University professor in England. He is a distinguished scholar, an able writer, a popular speaker and a charming reader. He has been in constant demand ever since he entered the corps of University Extension lecturers; has been called for many successive lectures when his services could be obtained so often, and is now wanted in almost every town that has a U. E. course and we have reason to feel glad that Butler is in his present circuit.

The lectures are to be given fortnightly on Saturday night. There are six lectures in the course. The course ticket costs \$1. Single lecture, 25 cents It is not designed to earn money for any individual or institu-Single lecture, 25 cents It is not designed to earn money for any individual or institution. It is desired for the good of the
community, to secure by co-operation the
inestimable advantage of a college education. If fire or six hundred of our citizens
would take hold of this work the expenses,
could be reduced to five or six cents per
person per lecture. If there is a surplus
over expenses it will be used in the purchase of a library accessible to all patrons
of the course.

KLINGLERS' SNOW DRIFT BREAD.

The largest and best exhibition of good bread the people of Butler and vicini-ty ever witnessed took place at the Butler Fair. All visitors conceded that they nev-er saw a finer collection of bread. Every loof was worth of energial mention. loaf was worthy of special mention. The display consisted of about 200 loaves from the size of a small tub to that of the ordin-ary baker's loaf.

ary baker's loaf.

However, some people were suspicious enough to say that the premium bread was not baked from Klinglers' Snow Drift Flour, but that instead Klinglers' Silver Foam was used. To dispel every doubt on this matter, we give below the sworn state ments of the prize winners, noting, by the way, that the BUTLER AGRICULTURAL ASSOCIATION awarded the premiums, their judges alone deciding, as will be seen from the follow-

We have demonstrated beyond a doubt that our

is the best Bread Flour in Butler, and we nize the fact that the production could have sprung only from the brain of a faithful and close student of the old days. The usty trumpeters that head the splendid processions display those long, straight herald trumpets of which the modern bugle can prove by over
TWO THOUSAND "CARD" CUSTOMERS higher. Our little "eard" did it all, and it did

simply a modification. Experience has night the Spanish legions that the shrill guals of the simple tubes of brass could heard more clearly above the roar of affect than any other method of issuing the same of signals of the simple tubes of brass could be heard more clearly above the roar of conflict than any other method of issuing commands.

There follows a detatement of the infantry of those days wearing no visers to protect the face, for they were taught to look their enemies in the eyes. The curved piece slooping over the helmet proper was to receive the downward blow from an antagonist's sword. The sides of the helmet could only receive a glancing blow which was not looked upon as fatal. The Cuirass, which protected the body from the neck to the waist, was open at the back for the soldier kept his face to the fow then fighting. There are shown also the short swords that conquered the Saracen Moors, broad-bladed, double-edged, sharp-pointed.

Twelve hundered persons appear in the different illustrations. The bailet numbers 300, all inder the direction of the most expressions and the pour neighbors as well as ourselves. There are 100 chorus girls and 500 processionists are 400 chorus girls and 500 processionists are 400 chorus girls and 500 processionists.

Twelve hundered persons appear in the different illustrations. The ballet numbers as 300, all under the direction of the most explained choreign ballet masters. There are 100 chorus girls and 500 processionists in addition to the instrumentalists and other auxiliaries. A huge stage, 400 feet long, is necessary, and a monster tent to the instrumentalists and other auxiliaries.

ARVIN BAKING COMPANY OF PITTSBURG.
Previous to the presentation of this part of the extensive programme, the great circus, hippodrome erial and double elevated stage performances are given in three rings and upon two stages and in the racing track. There are, besides the menagaries and elephant pavilions, a horse-fair tent with 400 head of premium horses and innumerable other leatures, the whole forming such a collection of attractions as to astonish all visitors. The new milliondollar street parade, with its embarrasment of costly features, will take place at about nine o'clock a. m. the day the show arrives.

How is This ?

Something unique even in these days of mammoth premium offers, it is the latest effort of Stafford's Magazine, a New York monthly of home and general reading.

The proposition is to send the Magazine one year for one dollar, the regular subscription price; and in addition to send each subscriber fifty-two complete novels during the twelve months; one each week. Think of it. You receive a new and complete novel, by mail, post paid, every week for fifty-two weeks, and in addition you get the magazine once a month for twelve Buffalo Blankets, best for wear at L. STEIN & SON'S.

-Red hose, black hose and tan get the magazine once a month for twel months, all for one dollar. It is an off months, all for one dollar. It is an offer which the publishers can only afford to make in the confident expectation of getting a hundred thousand new subscribers. Among the authors in the coming series are Wilkie Collins, Walter Besant, Mrs. Oliphant, Mary Coeil Hay, Florence Marryat, Anthony Trollope, A. Conan Doyle, Miss Braddon, Captain Marryat, Miss Thackery and Jules Verne. If you wish to take advantage of this unusual opportunity, send one dollar for Stafford's Magazine, one year. Your first copy of the magazine and your first number of the fifty two novels (one each week) which you are to receive during the year will be sent you by return mail. Remit by P. O. Order, registered letter or express. Address -Take your children to Zuver's Gallery for Pictures that will suit you. Postoffice building Fall and winter styles, elegantly rimmed hats for \$1.50, 2.00, 3.00, up to any price desired. We can save you 50 per cent. on millinery. Order, registered letter or express.
