THE CITIZEN

Why is Strictly Pure
White Lead the best
paint? Because it
will outlast all other paints, give a
handsomer finish, better protection to
the wood, and the first cost will be less.
If Barytes and other adulterants of
white lead are "just as good" as
Strictly Pure White Lead, why are all
the adulterated white leads always
braided Pure, or There was once a wise King who was tinually asking questions. Indeed, his desire to know everything and was conthirst for knowledge carried him so far that he wanted to know the age of every person he met. But, being a King,he was exceedingly polite, and would resort to trategy to gain his end. One day there came to the court a gray-haired professo This Barytes is a heavy white powder (ground stone), having the appearance of white lead, worthless as a paint, costing only about a cent a pound, and is only used to cheapen the mixture. What shoddy is to cloth, Barytes is to paint. Be careful to use only old and standard brands of white lead. who amused the King greatly. He told the monarch a number of things that he never knew before, and the King was delighted. But finally it came to the point when the ruler wanted to know the age of the professor, so he thought of a mathemat-

"Ahem!" said the King. "I have an "Beymer-Bauman" "Fahnestock"
"Davis-Chambers" nteresting sum for you; it is a trial in nental arithmetic. Think of the number are strictly pure, "Old Dutch" process brands, established by a lifetime of use. For colors use National Lead Co.'s Pure White Lead Tinting Colors with Strictly Pure White Lead. For sale by the most reliable dealers in paints everywhere. of the month of your birth."

Now, the professor was 60 years old, and had been born two days before Christnas, so he thought of 12, December being 12th month. "Yes," said the professor.

"Multiply it by 2," continued the King. "Add 5."

"Yes," answered the professor, doi:

"Now, multiply that by 50." "Yes." "Add your age"

"Yes." "Subtract 365." "Add 115."

"And now," said the King, "might ask what the result is?" "Twelve hundered and sixty," replied he professor, wonderingly. "Thank you," was the king's respon

ried the professor.
"Why," retorted the King, "from you was the 12th and the last two figures give

ha!" saughed the professo "Capital idea I'd try it on the next person I meet It's such a polite way of inding out people's ages "

Consumption Surely Cured.

Pinta, the three Columbus caravals that were presented by Spain to the United States, will sail from Chicago soon after Nov. 1st and will spend the winter in the bay at Erie. A big public reception is being arranged by the Erie people. Next spring the boats will go to Washington to be placed in the lagoons near the White

-One phase in which the kodak now oms up is a terror. It is to be used to notograph you as you doze in your pew at church. It is said that an Irish clergy-man on a recent Sunday took several snap shots at his congregation, If this sort of hing is to become general, the good surch-going devotee will realize that here's no rest for the wicked.

Signs of the Times.

Signs of the Times.

The leaves in the forests are beginning to turn yeilow and brown, and to drop off one by one, presaging the approach of Autumn and bringing with it many climatic changes. It needs a very strong constitution to withstand the sudden shocks of cold and moisture. Unfortunately there are very few so gifted, the majority of the human race need to have their natures strengthened and stimulated, and there is no better remedical agent than a pure rye whisky. Klein's Silver Age Rye has stood the severest tests and has been found to be absolutely perfect, being recommendbetter remedical agent hisky. Klein's Silver Age Rye has stood to severest tests and has been found to e absolutely perfect, being recommend-d and prescribed by the highest medical uthorities. It is for sale by dealers gen-rally, at \$1.50 per full quart, Duquesne 2ye at \$1.25 per quart, and Bear Creek at \$1.00 per quart are highly recommended. Send for catalouge of all kinds quors to

-A number of persons are looking for he man who started the story that Lord Dunraven couldn't pay his crew because he hadn't a cent aboard. -A Rahway (N. J.) widow who had

towed away \$500 in a small bureau draw er, discovered two days ago that her hoard had been converted into fractional curren cy by mice. The moral is that hoarding a nome in nooks and corners is a raw way of banking.

-"Senator Pugh was so put out by critcisms of his free silver speeches in the Semia Times," that he wrote the editor, You are no gentleman.' In a witty reply the editor, who happens to be a woman acknowledged the truth of the charge, but the Senator has since kept mum."

-There are now four times as man watchmen and detectives along Fifth ave nue in the vicinity of the residences of the money kings as there were a few months ago and before the anarchistic element be came noisy. So said one of the watch men found guarding the new million do lar palace of Cornelius Vanderbilt.

-Miss Mary Garrett, of Baltimore daughter of the late John W. Garrett, said to possess an income from an estat worth about \$20,000,000. Miss Garrett about 40 years old. She devotes a good deal of her time to business, and contri butes largely to charities.

-State Supterintendent Schæffer, in his official circular regarding Arbor day, introduces the subject of tree-planting with the following lines by Whittier: Give fools their gold and knaves the power;]
Let fortune's bubbles rise and fall;
Who sows a field, or trains a flower,
Or plants a tree, is more than all.

IT'S ASTONISHING how Dr. Pierce's Favorite Prescription acts upon nervous women. It's a marvelous remedy for nervous and general debility, Chorea, or St. Vitus's Dance, Insomnia, or Inability to s'eep, spasms, convulsions, or "fits," and every like disorder. Even in cases of insanity resulting from functional derangements, the persistent use of the "Prescription" will, by restoring the natural functions, generally effect a cure.

For women suffering from any chronio "female complaint" or weakness; for women who are run-down or overworked; at the change from girlhood to womanhood; and, later, at the critical "change of life"—it is a medicine that safely and certainly builds up, strengthens, regulates, and cures.

If it doesn't, if it ever fails to benefit or cure, you have your money back.

What more can anyone ask!
