It is a seed that constantly reproduces good crops Another merchant says: "Strange as it nay seem in these hard times our sales of Christmas week are above those of last year. We account for this by our liberal ivertising. I don't think we ever adver ised more extensively or to better advanage than we did this year. FOOLING THE PEOPLE.

There is a clique of advertisers who are continually fooling the people There is a clique of advertisers who are continually fooling the people. They have tooled them once too often with a pretense to give a mething for nothing. You may fool some of the people all the time—and all of the people some of the time, but you can't fool all the people all the time. In looking over the advertisements in the papers nowaday, I find I have lost my laurels. Now I will tell you the truth. You will see hundreds of such baits flung out for suckers to hite at, such as, "We can save you 25 per cent by trading with us," and some even go so far as to say 50 per cent. Men's fine suits worth \$25,00 for only \$9.99 Pants worth \$8.00 only \$3.99. Bankrupt Sales, Sheriff Sales, Assignees Sale, &c. Now we ask you candidly. Can these concerns doing business at fabulous expense, sacrifice profits as a great many advertise to do? Are they as liberal as they propose to be? We answer no The enormous sums required to meet current expenses must be met by liberal and in most cases by heavy margins Profits they must have and trade they must get or sink in the whirlpool they have they must have and trade they must get or sink in the whirlpool they have created by their own hands. There is no alternative, get the profit and get the trade, but how? In no other way than working on the weak minds of the people by flaming advertisements. They boldly and shamelessly claim to actually give the dear people \$3 00 in value for one invested. Such unprincipled actions are becoming not only tiresome, but positively dangerous to the welfare and interest of the buying public. On careful inspection you will find these \$25.00 suits reduced to only \$9 99 are dear at eight dollars. I saw an ad stating men's fine worsted suits reduced from \$10 00 to \$6 00. I called to see them and found our \$3 75 cotton suit. When we offer you a suit for \$10.00 that is all it is worth or ever was worth we just give you one dollar's worth of goods for 100 cents
