

THE CITIZEN

FRIDAY, MARCH 10, 1934

Butler has a population of about 10,000. It is the County seat of Butler County, Pa. It is a beautiful city, with its streets, parks and buildings. It is a progressive city, with its schools, churches and public works. It is a city of progress and prosperity.

By Special Arrangements Made for our subscribers who pay arrearages, (if any) and one year in advance, and to all new subscribers paying in advance, the New York Weekly Tribune free for one year. For further particulars of this offer see advertisement.

LOCAL AND GENERAL.

The Easter Bonnets are as flowery as a sophomore's oration. Judge Gammill granted licenses for 193 motor bills in Erie county. This time nine years ago the thermometer was down to 20 degrees below zero. Quite a number of new buildings are to be erected in Butler this spring. Jack Frost got his work on the green beds this week from the Lakes to Florida. The Markham Minstrels are a success. Everybody present seemed to enjoy their entertainment of Monday night. He who tries to lead a double life is quite liable to make a failure of both of them. The new water fountain on the District is a thing of beauty. May it be a joy forever. Peil Hindman will open a barber shop and bath room in the basement of the Army building, next Monday. Postal cards are not available unless they are up to the standard size. That is, if they are not or trimmed to a smaller size they won't go. Everybody knows that the sun has spots on it, and yet some people always expect a ten-year-old boy to be absent perfect.

All the bars in Butler will close Saturday night and stay closed for one year, unless the League Union men are successful on the 9th of April. On account of the rain last Thursday evening, Dr. McAuliffe's lecture on Alaska and its people was postponed until this (Thursday) evening in the M. E. Church.

Young & Cooper the fashionable tailors are employing 10 tailors at present they are getting out an immense lot of work. Their work is equal to the best and they are accommodating and genial gentlemen. The Butle Benevolent Association will hold its regular semi-monthly meeting at 7 o'clock, sharp. All members of the Association are requested to attend, as business of importance will come before the meeting.

The Sunday men's meeting of the Y. M. C. A. at 4 o'clock will be addressed by Mr. C. A. Bailey, subject, "Knowledge through not Courage through." Good music, song, guitar and orchestra. Men should attend this special meeting. A party given here a few weeks ago at the Ansonia. One day he was brought up before a justice for some offense and pleaded guilty to the surprise of all. The justice rubbed his eyes and said, "Well, I'll believe it if I have better proof than that before I'll believe it. You are discharged."

Frank in a few years will be so abundant that it will be on every table all summer long. Oranges sell now for eighteen cents a dozen retail. In Georgia peach orchards are planted with one hundred thousand trees to the orchard. North Carolina is following suit.

The Women's Christian Temperance Alliance of Butler county will hold a conference on Thursday, April 12, in the Baptist Church of Butler, morning session at 10:30, afternoon session at 2. The State President, Miss Mary S. Shepard will be present and will address a public meeting in the evening at 7:30 in the Presbyterian Church. Admission Free. Collection.

Many people who stand firmly for the observance of the commandment to "Keep the Sabbath day holy," forget the preceding equally positive injunction: six days shall thou labor. It is a wonder that the clergyman who preaches so vigorously on the necessity of observing the Sabbath so seldom mentions the necessity of laboring six days to their wealthy congregations.

A "remarkable" correspondent of Penn. township, who signs himself X, says there is a school in that township, in which all the boys, except three or four, "whew" all the time, and the teacher, who is a "gun" man, he also remarks that they "adopted a deck of cards and clip plays, and that one little ten-year-old was known to chew ten cents worth of tobacco in a day." Such a state of affairs is awful.

The mercury has been ranging from 10 to 20 degrees above zero during the past few days, or the same below the freezing point, which means no peaches for this year, few, if any, cherries and pears; and at least a skim crop of apples. Reports from Ohio and other States to the West indicate the destruction of the early fruit; and in Wyoming, where a blizzard raged for three days, cattle were frozen by the thousand.

It is reported that the road from Brady's Bend to Millertown to connect with the P. & W. R. R. will be constructed first, and then the P. & W. will be made a standard gauge from Millertown to Butler, and that the other end of the road will be built later. The general understanding is that the road to connect at Millertown will be 1600 feet long will be shortly at the Summit. The surveys have secured the best route possible and it is thought they will not try any other.

A Union Evangelistic campaign under the leadership of Rev. Albert J. Nathan is being conducted. A successful plan will be initiated on next Tuesday evening, April 3rd. The Ministerial Union and the Y. M. C. A. under whose auspices Mr. Nathan comes, urge upon all the necessity of their best effort that many may be richly benefited by these meetings. The music will be led by a large chorus of local singers and everybody should be sure and attend.

Fruit culture is more profitable to the farmer now than his other crops. Brown Bros. Co., the most extensive nursery house in the U. S., is advertising in this section. Write them at Rochester, N. Y., for their terms.

License Court.

All the applications for licenses to sell liquor were heard by Judge at 4 p. m., excepting that of Thompson & Brown of the Leary House, Butler, which was held over till next morning. Saturday morning, Col. Thompson for the applicants, objected to the exception filed by A. J. Hinton on the ground that he did not specify that he was a citizen of the 3d ward, in which the house is located, and moved to quash the exceptions, which was refused. He then pleaded surprise, and asked for specifications, under the Rules of Court, and this was granted. The case was held over till Monday, April 9th, at 9 a. m. The majority of the applications were refused, for the reasons set forth on the docket entries and in one or two cases without any reason being given.
