DON'T Want A Wheel?

Just as good time now, as any, to think of buying, to compare prices and merits. We pin our best faith to the CLEVELAND and the PHOENIX.

A wheel should be

**Easy
Running.
Fine
Looking.
Fully
Guaranteed.**

We have them now
and will have

THE GREAT QUESTION!

Every face at home, and every glance into our inviting windows, suggests the question, "What shall I get or give for Christmas?" The answer to the first depends upon the love and liberality of your friends; the second upon your own means and generosity. Let fate and friends look after the get, you look after the give—that's the part most blessed. Remember, that a little given with love is more than much given because you can.

Our place is just now budding with its wealth of solidified happiness.
