VOL XXXII

State Library July 95
The Only

Great and thoroughly reliable building-up medicine, nerve tonic, vitalizer and

HARNESS
BLOOD PURIFIER

Before the people today, and which stands preemminently above all other medicines, is

HOOD'S Sarsaparilla

It has won its hold upon the hearts of the people by its own absolute intrinsic merit. It is not what we say, but what Hood's Sarsaparilla does that tells the story:

We have more workmen and larger shop room than ever. We have put in machinery and can supply you with machine or hand made work at wholesale factory prices. We are getting out our new catalogue and in our wholesale department we find about 100 sets of harness that we cannot duplicate again, and don't want these in our shop and will sell them for half price. There is only a few set of each kind, therefore if you want bargains come quick. No difference what you want in the harness line, either new work or repairing, come here.

We must have room for buggies and wagons of which we have the largest line we ever had and will close out

BLANKETS and ROBES

from now till April 1st at less than wholesale prices. It will pay you to buy now for next winter. Just come in and see what bargains we are offering in different articles. We have a special sale going on in horse collars, too. We never advertise in a catch-penny way—when we say we are down in price we are down in price.
