

## A Strictly \* \* Dress Shoe,

l eyelets, and is pronounced by all the handsomest shoe of the season. We have the same shoe made with a kangaroo top. This is but one of the many styles we are showing in.

## Gentlemen's Fine Footwear.

There is no article which enters into ladies' or gentlemens' dress that should be selected with so great care as a shoe. No other part of one's dress is noticed so quickly, and so universally admired o condemned, as the case may be.

A shoe to be thoroughly satisfactory must, first of all, fit well, and secondly, must wear well and keep its shape; these points are the most prominent ones in Ruff's Fine Shoes. Ruff's shoes are made by firms whose lasts and patterns are as near perfect as skill and experience can make them, and all the materials used are selected with such great care and the workmanship inspected so closely that the wear of Ruff's shoes is assured. Ladies and gentleman, it will be to our mutual advantage if you will favor us to the extent of inspecting

Have the largest stock of Vehicles, Harness and Farm Machinery of any house in the county. We defy any firm to show a better line of goods for less money, Our stock was selected to suit this trade Our prices are as low as the lowest, quality considered. Our profits are small and our reputation at stake, so you can rest assured we will not misrepresent. We add a percentage on our goods and sell them according to what they cost us. We serve all alike. We do not make one man pay for what we lose on another. When we guarantee goods we make good our guarantee. We protect our customers, and not the manufacturers. Why? Because the manufacturers are of no use to us without the customers. If you want a Buggy Surry, Phæton, Business, Pleasure or Team Wagon, Hand or Maed Harness, or anything in the Harness line, Blankets, Robes, Dusters, Nets, Turf Goods, Currying Tools, Whips, Saddles Trunks, Valises, Satchels, &c., we have them in large quantities and at low prices. And for Farm Machinery, we can furnish anything needed, from the plow to the separator. We guarantee our machinery to be as good as the best and second to none. If in need of any thing in our line, write us. We will answer all inquiry, either by mail or in person. Our motto is, "Small Profits and Square Deal-Our success depends on our reputation, and our reputation will be controlled by our representations, so you can depend on what we tell you to be true. We say we have the largest line of Vehicles, Machinery and Harness of any house in the county, and a visit to our store and warehouse will prove it. Store room,

### THE CITIZEN.

The Typewriter Ribbon Industry. The manufacture ribbons for typewriting ployment to a large number of people. dynamite, etc., Bower took down from a tchines is an industry which gives em-On nearly all the first-class typewriters these ribbons are used. There are at least forty different styles of American type-writer, and more than 400,000 machines are in actual use. As the average life of It costs no more per gallon than a ribbon is from four to six weeks, the paints, and lasts many times number of concerns which seek to supply off both hands and filling his abdomen with the market with this article is surprising latest reports, but there is no possib They make ribbon of every conceivable olor and variety, from six to ten yards in chance for his recovery. Mr Heufner escap length, and capable of writing with copying ed unburt and Mr. Shell received a small er non-copying ink. Some ribbons are ade which print in one color and show an entirely different color when the manuscript is copied by means of the letter ress. For instance, a ribbon which writes black may copy blue and green, making the record much more legible on certain ualities of paper. The manager of a con-ern in New York, says the N.Y. Sun, which turns out several hundred ribbons daily said that at a low estimate, fifty plants engaged in the manufacture of these bons have been established in the United States this year. Each manufacure has a secret process for making his particular style of ribbon, and the secret is guarded with the greatest possible care. ne maker in this city has each box and ar containing powder or pigment for tooth and swollowed it a year or so before, ar containing powder or pigment to making the ink distinctly numbered, and the attacks of colic having been caused by the lodgement of the tooth as it worked to follow his printed instructions mechanics way through the intestines until its ally, and remains entirely ignorant of the final stoppage. the whole process and go away as ignorant as before. The best ribbons have selvaged edges, which prevent their rareling and curling when in use. They are nearly uniform in thickness, though one ribbon is made of yery thin texture to be used to be most wonderful Blemish Care ever have to be used to be most wonderful Blemish Care ever have to be used to be most wonderful Blemish Care ever have to be used to be most wonderful Blemish Care ever have to be used to be most wonderful Blemish Care ever have to be used t m ide of very thin texture, to be used when an extra large number of carbon conies are an extra large number of carbon copies are esired, and the imprint of the type must as clear as possible and free from blurs. ne greatest care must be taken in selectng the cloth from which the ribbons are made. If the texture is woven too closely t will not hold sufficent ink, and smirch he paper. Moreover, such, a ribbon wil the paper. Moreover, such, a ribbon will fill the type of the machine and greatly annoy the operator. A prime difficuity encountered by manufacturers is how to prevent evapration of ink from the ribbon when it is in use and exposed to the air, This has been largely overcome in the last two or three years. The man in charge of a New York house which makes writing inks and typewriter ribbons said recently that the most noticeable thing in his trade was the great decrease in the sale of ordinary copying ink. It is being almost entire.

nary copying ink. It is being almost entire\_ y supplanted by the copying typewriter bon, which gives far better results. Depite the great number of ribbons in the 549. nemists everywhere to produce one that will satisfy everybody, those giving all and satisfaction are not easy to find, and dealers in supplies of this nature often have extreme difficulty in furnishing what wanted. This country fornishes practi ally all the typewriter ribbons in use both ere and abroad.

Way Not Try the New and Better Way Of doing your shopping? Instead o or doing your slopping instead of coming to the store, make the store come to you. Yes, and the best and biggest store in the country at that: namely, Kautmann Brothers, Pittsburg. Drop them a Postal and you will get their spring and summer Catalogue gratis, enabling you to order by mail anything you may wish, and saving as much money as city people do.

Relief in Six Hours.
