A Suggestion.

Did it ever occur to you that there are drugs and drugs—that drugs are like everything else—there are good, bad and indifferent. There is nothing else which is positively bad if it isn't just of the best. Our policy has always been to have nothing but the best.

When you want drugs come to us and be assured of fresh pure goods, and always what you ask for or your prescription calls for. It may not always be drugs you want either. We always have on hand a full line of sick room recuisites.
