That most dreadful disease—consumption is what is known as constitutional. It is in the blood. In reality, it is scrolule of the lungs, and it can be cured of times in roo if proper treatment be taken in its early stages. Sending good, clean, pure, rich, wholesome blood continuously through the diseased parts will gradually eradicate the disease. If the medicine taken be strongly purifying, healing and soothing, the cure will be even more rapid.

Dr. Pierce's Golden Medical Discovery purifies the blood, stimulates digestive action, searches out disease germs wherever they exist and puts the whole body into a vigorous, streng and healthy condition. It builds up solid, useful flesh, rabs out wrinkles, brightens the eyes and makes life really worth living.
