Pennsylvania Railroad

That the public are quick to recognize the advantages of the Pennsylvania Railroad Company's perfect personally-conducted tourist system is exemplified by the annual increase in the number of participants in tours organized under that system. Aside from this, the growing desire of Americans to see the wonders of their land is also an important factor in advancing this healthy sentiment in favor of trayel.

This season's tours to California will be conducted in all respects as those of preceding years, and will leave New York and Pniladelphia February 12 and March 11, 1896.
