THE PHILADELPHIA PRESS

For 1896.

Pennsylvania's greatest Republican family newspaper, The Philadelphia Press, will enter upon the new year under the most favorable conditions of its history.

A powerful agent in the national community, it is now more than ever a leader in news and able comment.

Its various departments have during the past year been greatly strengthened.

Pennsylvania is covered county by county, city by city, town by town. No other newspaper covers the State so well.

The Woman's Page of The Press has become one of its most prominent features and is eagerly sought by ladies.

In the matter of Amateur Sports The Press is also far in the lead and publishes more news on that subject than any other paper in the country.

The subscription price of The Press, per year, is: Daily, six dollars; Daily and Sunday, eight dollars; Weekly, one dollar.

The Press is the greatest want medium in Philadelphia and gives the lowest rates on that class of advertising.
