The fame of its climate is world-wide, and it is sought even by Europeans, who find it more charming than their own southern slopes To Americans its worth is too well known to necessitate a description of the many advantages to be enjoged. Personally-conducted tours via Pennsyl-vania Railroad will leave New York and Philadelphia February 12 and March 11, 1896. In addition to the many other points of interest visited on the first tour a stop will be made at New Orleans for the Mardi-Gras festivities, and four weeks will be allowed in California. On the second tour four and one-half weeks will be allow-ed in California. An additon to the magnificent train heretofore used for these tours is a thorough Pullman compartment car.
