Rev. Mr. George H. Hepworth is to be ngratulated in the fact of his discovery

of his sermons in the New York Herald. Old Rip Van Winkle went up into the Catskill mountains to take a little map of twenty years or so, and when he wakened, he found that the "cruel war was over," the monthly magazines had "fought it over" the second time and "blown up" all the officers that had participated in it. This much is history, and it is also an historical fact that, during the same length of time, Dr. Pierce's Golden Medical Discovery had become the most celebrated, as it is the most effective, Liver, Blood and Lung Remedy of the age. In purifying the blood and in all manner of pimples, blotches, eruptions, and other skin and scalp diseases, scrofulous sores and swellings, and kindred allments, the "Golden Medical Discovery" manifests the most positive curative properties.

Revery disorder that can be reached through the blood, yields to its purifying the blood in vites catarrh, bronchitis, and consumption. CAUTION.—Accept no substitute for the "Golden Medical Discovery" that may be recommended to be "just as good." It may be better for the dealer, because of paying him a better profit, but he is not the one who needs help. Noah After the Flood.
