THE CITIZEN George was a Great Man, Not Like Other Folks.

Did it ever occur to you that outside of what he did for his country George Washington was a great man—that is, he was not like other folks in many ways. George Washington never tried to sell a farrier a gold brick, nor did he ever practice the honest game on the unprincipled and unscrupulous. He never tried to sell a farrier a gold brick, nor did he ever practice the honest game on the unprincipled and unscrupulous. He never tried to sell a farrier a gold brick, nor did he ever practice the honest game on the unprincipled and unscrupulous.

Tam O'Shanter's ride through the midnight with the horrible hobgoblins pursuing him was only a bad dream, or nightmare, which anybody is able to experience as the result of over-eating or an attack of biliousness or indigestion. To avoid such disagreeable experiences one or two of Dr. Pierce's Pleasant Pellets should be taken after a too hearty meal and the action of the stomach will thereby be quickened and the food promptly digested.

Then too if Nature be assisted a little now and then in removing offending matter from the stomach and bowels you will thereby avoid a multitude of distressing derangements and diseases, and will have less frequent need for your doctor's services.

Of all known agents for this purpose, Dr. Pierce's Pleasant Pellets are the best. Their secondary effect is to keep the bowels open and regular, not to further constipate, as is the case with other pills. Hence, their great popularity with sufferers from biliousness, constipation, piles and their attendant discomfort and painful derangements.

The Pellets cure biliousness, sick and bilious headache, dizziness, vertigo, or constipation, sour stomach, loss of appetite, coated tongue, indigestion, or dyspepsia, wind, belching, "heart burn," pain and distress after eating, and kindred derangements of the liver, stomach and bowels. One little "Pleasant Pellet" is a laxative, two are mildly cathartic.

General Clearance Sale

Business always seems good when there is plenty to do, whether there is any money in it or not. This is always our duldest season of the year, but we propose making it different if prices will do it. We have the largest stock we ever had and that is saying a great deal. We really have a number of everything, and for thirty days we are going to give you 6 boxes good axle grease for 25 cents; harness oil 50c per gallon, or if you want sweat pads for collars we have a great lot of good ones for 50c each, worth 50c. We have a lot of buggy shafts ready to put together for 50c per pair.

Has your horse a sore neck? Buy a new collar, only one dollar for work collar, or one dollar each for team or buggy harness; or do you want a blanket or robe? We don't want to pack them away; have about one thousand left and will close them out at less than wholesale price. It will pay you to buy now even if you don't need them this winter.

Harness, did you say? Well that fits us. We have been making harness all winter and have hundreds of sets. We get the work done cheap and bought the hardware before the advance, therefore, we can sell you harness worth \$12 for \$5, worth \$15 for \$10 and so on, all our own make. Leather harness for 50c and check lines for less than leather's worth. And buggy harness we would like to sell a lot of them for less than cost, but its too early yet to get you interested in buggies, but we offer you the chance to save money if you want one.

We have gathered all these, and many other bargains up, and placed them on our first floor, and if you want to see them please come early as they will be done when they are gone, and it will be a long time before another opportunity like this presents itself. Martineau & Co., you know never advertise a lie.
