How We Nominate for Congress. Barbarian Military Skill. As the manner in which a Republican The Italians have been in Abyssinia e andidate for Congress is nominated i long enough to know something of the native character and methods of fighting .853 this district appears to be not fully under For 20 years the conflict has been going stood, we make the following explanation on. It is nine years since the crushing In order to get away from the old condefeat at Dongali, where an Italian force ferree system there was a new plan was almost wiped out. It is little more adopted in this district about eight years than a year since Ambalagi, where but 300 Italians were left out of 2,500. ago. This new plan was known as the With so much experience it would By agreement between the foar coun seem that a soldier with such reputation ties composing the district, Butler, Meras Barotieri could not have been caught 185 cer, Lawrence and Beaver, each county in a trap.
