-People who have been advocating gothe following from the Clarion Jacksonian where it is. At the evening session Messr of interest. About one week ago the peo-ple of Clarington became zeriously ill, and ual students' trials. ome of them barely recovered. The river was floating full of dead fish, which the people of Clarington thought had been killed by dynamite. They were gathered killed by dynamite. They were gathered in and eaten in liberal quantities. Those who ate of them soon were taken sick at the stomach, and with much difficulty were rescued. It turned out that the extract works had dumped into the river some poisonous fluid which killed the fish and came within one of killing the people. Those upper county enterprises will have a great deal to answer for when the day of seckoning comes along.

—The Department of Agriculture is meeting with more or less trouble with vinegars colored so as to resemble "pure older vinegar," and offered and soid the convention that the primary, and a very light vote was cast, teast than 2,000. The contest for Commissioner was the only one that displayed any signs of life.

On Monday the Democrata held their primary, and a very light vote was cast, teast than 2,000. The contest for Commissioner was the only one that displayed any signs of life.

On Monday the return Judges met in Sence Hall at 1 p. m. and Henry Neice, Baq. of Harmony was elected Temporary Chairman. On taking the chair he made a short address, and praised the Wilson Elizabeth Kauffman. Jacksville Samuel R Cornelius. Grove City Elizabeth Kauffman. John C Heilman. Venange of Maggie Emery. Bruin Schort were elected Secretaries, A. C. Anderson, Mr. Bard, Geo, W. Graham, Ino. Kelley and Esq. Easley were appointed a committee on resolutions. W. A. Mickley, Joseph Ball and Theo. Pape (Olie Hunter. Eau Clair Wm. T. Crummy. Backrows At Mercer—William Bell, of Harrisville for \$200.

vinegars colored so as to resemble to compute the vote.

The convention then took a recess to give the committee on Resolutions time to make their report. The report pledges colored with cheap materials until they colorely resemble the pure product of the crohard and many shakles they raked in all. colored with cheap materials until they closely resemble the pure product of the orohard and many shekles thus raked into coffers of unscrupulous merchants. The Department in self-defense, is seriously considering the propriety of deciding that vinegar shall not be colored except by the legitimate product of distillation or fermen tation. The manufacturers usualy sell the colored distilled and wine vinegars for what they really are but the unscrupulous retail grocer and dealer too often sells them to the unsuspicious citzen as the legitimate product of the orchard. One lealer in the interior of the State has been detected in making "pure older vinegar" from molasses and water, and is compelled face the court and tell why this was done. The washings of the steamers which transport sugar and molasses in bulk are ade into vinegar at a cost of less than two cents per gallon and sold to the un

taking the thing for a while to see how she likes it, but not obligating her to buy it. At the end of a week or so a man happens along, represents that he has been sent by the woman to see if the article is tory and will be purchased, and learning that the good woman of the house does not wish it, he takes it away with him. That is one part of the story and it seems all fair enough, but there is another portion that is not so nice. A few days after the nan has called the woman again puts in an appearance to ascertain whether the d woman of the house desires to keep the article and is apparently horrified to hear that a man has called and taken it. breaking forth into tears and protesting that she had no acquantaince whatever with the man and that she had not sent him to the house. And there is only one thing the women of the house to do, and that is to pay for the article that the man securdo It is scarcely necessary to say that the man and woman were accomplices and were working together. She kept a list of all the houses at which she had left things and he by his plausible manner succeeded in obtaining possession of them, while the woman of the was house swindled. This is the very latest swindle, and one that Butler people should look out for. When the stranger calls to collect, put a flea in his ear—fire him.

HAS ARRIVED

BUTLER, PA. McCANDLESS' HEAVE CURE I have a Heave Cure that will cure any ase of heaves in horses in forty days, used according to directions, and if it does

estimonials are the strongest proof of the medicines power to cure:
A. J. McCandless,
Butler, Pa., 1893.
MR. A. J. McCandless: On the 2nd day of April, 1892, I com menced to use your new cure for one o my horses that had the heaves very bad and continued to use the medicine fo about forty days and the horse did not about lorty days and the horse did hot show any signs of a return of them. It is now about a year since I quit givin the medicine and the horse has never showed any signs of heaves, and I feel stissfied that he is properly cured

W. C. CRISWELL,
Butler, Pa.,
April 3, 1893,
I. J. McCARDLESS:

This house has been thoroughly renovated, remodeled, and refitted with new furniture and it will do the work it used according to distinct the work it used according to the work it used according Yours truly, J. B. McMillin.
