We want to talk with you a few minutes-You know us but do you know there are hundreds of people in Butler, Co. who do not know we are in Butler, it they did we would have to enlarge our store to let the crowd in. Why what do you think. Nearly one half the people who come into our store didn't know we made harness, hile we have been running that part of our business for two years with a capacity of 10 sets per day, but we are glad to know they are pleased to find it out as it saves them money and will save you money if you mind it. However we did not intend talking about harness more than to say that we make all kinds of harness and parts of harness at less than factory price. It was surries and buggies we wanted to tell you about. We have a larger stock than we have had at any time for fifteen years. We hav'nt a last year surrey in the house. Don't buy old stock, they are old style, and every year grow more so. Buy the latest design and be in fashion especially when you can buy them for less money than others charge for old style work, as for the price, whoever heard of anyone paying too much for anything bought here. We hav'nt in our employe asalesman with whom we would be afraid to send \$10,000 to Europe, when you deal here you know you are dealing with a reliable firm and you know just what you are getting, and also know the price is lower than you could get any where. Come and see us and have the satisfaction of knowing you have been in the largest store of the kind in the state.

#### Whiskies, Wines and Liquors.

There are many people imposed upon when they buy liquor for the sick-room, for the table, or for social pleasures, because they do not know how or where to buy. A first-class article can only be found in a first-class house. There are many dealers who pose as Wholesale Liquor Dealers, but there is no other firm which bears the reputation for fair and honest dealing which MAX KLEIN enjoys, and the reasons are because he corries the largest and most are which tech as carries the largest and most complete stock of liquors of all kinds in the State;—because every article is guaranteed to be absolutely pure, cause his prices are the lowest, and because he deals squarely with the public. You may judge

from the following Silver Age Rye-the peer of all whiskies-\$1.50 per qt, \$15.00 per case Duquesne Rye, 92 per cent pure rye and 8 per cent barley malt, \$1.25 per quart, \$12.50 per case.
