The tobacco habit grows on a man unit his nervous system is seriously affected, impairing health, comfort and happiness. To quit suddenly is too severe a shock to the system, as tobacco to an inveterate user becomes a stimulant that his system continually craves. "Bacc Ouro" is a scientific cure for the tobacco habit, in all its forms, carefully compounded after the formula of an eminent Berlin physician who has used it in his private practice since. 1872, without a failure. It is purely vegetable and guaranteed perfectly harmless. You can use all the tobacco you want while taking "Baco-Ouro." It will notify you when to stop, we can expect the surface of the permanently in the percent interest. "Baco-Ouro" is not a statitute, but a scientific cure, that cures ithout the aid of will power and with no invience. It leaves the system as pure and we from nicotine as the day you took your first ew or smoke,
