Kills the Army Worm Quickly.

Col. H. C. Demming, an experienced entomologist, has discovered a preparation which kills the army worm in 19 seconds. It is composed of two concess of the metal calminum disolved in one pound of nitric acid, which has previously been diluted in five quarts of water then add five quarts of water and mix thoroughly, use ordinary sprinkler or atomizer. This preparation should be made in a stoneware vessel, but when ready for une can be out vessel, but when ready for ure can be put in other receptacles.

NEIGHBORHOOD NOTES.

The stoim of Monday afternoon upset hundreds of Monday afternoon upset hundreds of derricks in this county, and fistened the oats and corn in hundreds of fields.

In Allegheny several buildings were iem molished, one man was crushed to death and several injured, and several were shooked by lightning.

At Ross Grove, along the West Penn, some campers took refuge in their commissary tent or house under a large sychamore, and a large branch of the tree fell upon it killing one man and injuring several others. The campers say the storm approached them in the shape of a cyclone.

At Mars in this county large hail stones fell with the deluge of rain, and at one with the deluge of rain, and at the find the rain the storm and that his character has he for the rain with the deluge of rain, and at one with the rain the rain was at the find the rain of the train was a decident the death and oil well near Mannington, W. Va. a fe Herman Auth, of Winslow St., E. E.

At Beaver Falls a strange incident was noted: Lightning struck a large oak tree about 30 feet from the residence of R V. Wilson and split it in two from top to bettom. A large iron riog fastened in the tree was torn loose and hurled like a rife ball through the window of Mr. Wilson's residence missing that gentleman by a hair's breadth and burying itself in the wall opposite.

The storm seems to have originated in the far west, as portions of Dakota, Iowa, and Nebraska were storm swept the night.

While out picking huckleberries a few lone at several points. Bridges were

The largest rattlesnake that has been seen in the neighborhood of Oil City for many years was killed by Mrs. Lewis and Mrs. Lowrey. The ladies were driving along the President road when they saw the snake ahead of them. One held the horse and the other hunted a club and killed the snake. It was over four feet long and carried fifteen rattles and a but-

anis hizze templeton, of Saisourg, has quite a ceriosity in her garden in the snape of a japonica bush on which are growing peaches and pears. It is planted between a peach and pear tree and on the side next the peach tree are peaches and on the other side are pears nicely formed.

A DuBois man loaned the Baptist con

nuch all the private correspondence of the coung folks that passed through the of-ice, sealing up the letters again like a young folks that passed through the of-fice, sealing up the letters again like a good, careful girl. Money was placed in one of the letters to tempt Annie, but she simply opened the letter, read it and seal-ed it again without taking a cent. She is an honest girl, and therefore would not take that which did not belong to her. But her mamma was removed.

-The Butler Business College and School of Shorthand. High grade commercial, shorthand and English school, located in Butler. Curriculum embraces Book-keeping, Shorthand, Type-writing, Commercial Arithmetic. Commercial Law. Grammar. Geography and Spelling. Endorsed by bankers, merchants and patrons. Fall and winter term opens September 1st.

AGENTS.—Millions in it—Campaigi Book. Life of McKinley and all candi dates. Nearly 600 pages; 100 illustrations Send 15c. for outfit—quick. PEOPLES 3943 Market, Philadelphia, Penna.

The Scientific American, of New York, ha The Scientific American, of New York, has signalized its 50th anniversary by the pub-lication of a very handsome 72 page spec-ial number, which consists of a review of the development of science and the indus-trial arts in the United States during the trial arts in the United States during the past 50 years. It was an ambitious undertaking, and the work has been well done. The many articles are thoroughly technical, and they are written in a racy and popular style, which makes the whole volume—it is nothing less, being equal to a book of 442 ordinary pages—thoroughly readable. It is inclosed for preservation in a handsome cover, and is sold at the price of ten cents.

We have received from the Home.

-We have received from the Home —We have received from the Home Music Co.. Logansport, Ind., a copy of their McKinley Songster, containing twenty-five rousing campaign songs for McKinley, Protection and Sound Money. The words are stilling and humorous and have points sharp as needles. They are set to easy, attractive music, arranged for male voices; but many of the songs may be sung by mixed voices with fine effect. The price is 15 cents per copy, er \$1.50 per dozen. We advise Republican Campaign Clubs to arm themselves with a supply of this book.
