LOCAL AND GENERAL

THE DELIGHTFUL ASSURANCE OF THE MODERN NEWSPAPER WOMAN.

And how she pursued her calling, form a very interesting feature of our new story,

THE MISTRESS OF THE MINE

BY ROBERT BARR.

If you want to read a really interesting story, this one will just fill the bill.

WILL BEGIN

NEXT WEEK.

—1896 is running away.
—Plant your Holiday adv now.
—Summer clothes are a thing of the past.
—The Chrysanthemums are now having a show.
—Holiday goods will soon be on the market.
—Oil is worth \$1.20 a barrel, in sound money.
—The matrimonial market has been a trifle slow lately.
—Hot cakes are in order for breakfast these mornings.
—Greenville's new tab work is nearing completion.
—The time for wearing gold and silver hats has passed away.
—There is always plenty to kick about at a football game.
—The lately sown wheat is up, and the fields present a beautiful appearance.
—The Home Gas Co. purchased the Monks, Frazer & Co. gas well in Winfield twp near Delano, yesterday.

—“Cash wheat” sold in Chicago and New York yesterday at 90 to 94, and “Dollar wheat” appeared to be in sight.

—A great many “break bats” were paid last week. The most remunerative we have read of was one between the Hillman men, one of whom must now leave the country, and says he intends doing so.

—At the meeting of the School board last Tuesday evening, James Skillman was appointed Trustee officer under the new law at \$10 per month, his duties to begin next Monday.

—Somehow people do not laugh any more when they see one man paying an election bet by wheeling another in a wheelchair. It must be because it is no longer funny, it is silly.

—Butler borough cast 2,148 votes for President last week, an increase over the vote of 1895 (when it was nearly as complete) from 650 to 700. Several of our exchanges note the remarkable increase in the vote of the large towns.

—The Columbian Challenge Colored Quartet, one of the finest quartets now traveling, will give one of their grand concerts at the Y. M. C. A. Hall, Friday night, November 13th. Don't fail to hear them.

—The Concert given by the Arion Chorus in the Y. M. C. A. hall Tuesday evening was very largely attended and greatly enjoyed. The next entertainment of the course is the stereopticon illustrated lecture entitled “Monte Carlo” by Robert Harper, on next Tuesday evening the 19th inst.

—The U. V. L. of Butler had a reception last night which was much enjoyed. J. H. Carpenter, Jr., National Vice Grand of the U. V. L. of Reading, Pa., was present. Mrs. Herr and Miss May Morris sang; The Bell family rendered instrumental music, and Miss Amanda Smith and Prof. Frank spoke.
