ROUGH & WORKED LUMBER. OF ALL KINDS. Doors, Sash, Blinds, Mouldings, Shingles and Lath Always in Stock. LIME, HAIR AND PLASTER. Office opposite P. & W. Depot. BUTLER, PA.

525--527 Penn Avenue PITTSBURGH. And so on through the whole store in these goods and table-linen, particularly we have offers to surprise you. Get samples, and don't forget to mention this paper when you write.

Quite a number of the young people of this county are expected at Slipperyrock and Grove City, yesterday.

The shipment of strawberries from the Chattanooga district for one day last week amounted to 6,500 crates.

J. F. Finin has three acres of peas, in his garden on the flat, west of town, which will soon be ready for market.

The Germania's first concert at the Court House attracted a large audience, whose appreciation was shown by their frequent applause.

Monday of this week was the 120th anniversary of the adoption of the stars and stripes as the national banner of the country.

Clinton twp. has a traveling, colored, speak-easy—the officers are now after him. His headquarters has been in "Jolly" hollow.

The directors of the Y. M. C. A. have agreed upon a Star entertainment of course for next winter. A full note of which will appear next week.

The Butler P. M. now has a salary of \$2,500, an increase of \$100, and the Evans City P. M.'s salary has been increased from \$1,000 to \$1,100.

All the crops are looking well, excepting corn, which isn't a good start, as yet. There will be some apples, here and there over the county.

Money does not always bring happiness. Barney Barnato, the diamond king of South Africa and London, jumped from a summer resort in the ocean the other day and was drowned.

The old Sullivan law office on S. W. corner of the Diamond is being torn down. Part of it was built by Walter Lowrie, probably in the twenties, and the other part by Mr. Sullivan, probably in the forties.

There is no use to raise the cry that there is poison in ice cream, for it will be eaten as much as ever, and the impression upon youth need not expect to deter his best girl from insisting upon promenadeing where ice cream signs are most prominent.

The National Senate is still at work on the tariff bill and the State Legislature is still looking around for something new to tax. We are short of money ourselves, and if you are behind with us, and make an appropriation of a little of your surplus in this direction, it won't come amiss.

Evans City is the best business town in the county, after Butler. It now boasts a first class hotel, a thrumming, and live local paper, the Globe, edited by Young & Mickle. The town has an ample water supply, its main street is sewered and ought to be paved. If the people there should pave their main street this year, they wouldn't tear it up next for ten times what it cost.

Another horse was stolen in Buffalo twp. Monday night. Somebody left an "old rig" at Jacob Fry's stable, and took a gray horse with light mane and tail, spavin lump on right hind leg, scars on front fetlocks, heavy neck and shoulders, weighing about 1200 pounds, and a good style horse, in its stead. County reward \$20, and the Association will also pay something. Send information to G. W. Cramer, Slipperyrock, Pa.

It is now proposed to authorize post masters and deputies to open letters on which no postage stamps have been placed to learn the name of the writer and thus avoid sending it to the dead letter office. If all who write would give their names and addresses printed on the envelopes they use, as the post-office requests, no such trouble would occur. We furnish envelopes with your name and address printed on (in 500 or 1000 lots) for little more than you pay for the blank envelopes.

Since the advent of road scrapers, the disposal of the stones that the scrapers loosen has become a serious question. Some of the supervisors of the county have been throwing them into the fence corners, where they prevent the moving of the weeds, and thus become a nuisance to the farmers, and others have been piling them along the road where they are dangerous. The proper thing to do with these stones would seem to be to haul them to some point on the road where they can be used to advantage, or else to some low place on a neighboring farm.

The case of E. A. Lewis, surety of the peace, was heard and defendant sentenced to enter prison in \$200, to keep the peace and to pay costs.

The case of Com. vs. Matthew G. Sherwood, was continued till next term.

Com. vs. Tony Primer, surety of the peace, heard and defendant ordered to enter bond of \$200, to keep the peace toward C. B. Young and family and pay the costs.

The prosecutor failed to appear in the cases of Com. vs. F. O'Donnell and O'Donnell, surety of the peace, and the defendant was discharged at cost of the prosecutor.

On Friday last the Portersville burglar, Wilson or Wilford, plead guilty to the theft of \$100 and was sentenced to the pen for 7 months.

Friday morning E. A. Lewis, of Millersburg was ordered to give bond in \$200, to keep the peace, and to pay the costs. Lewis was arrested on a charge of being a drunkard and a hard cider druder that day in two Millerstown shoomaker shops.

True bills were found against Augusta Carson, adultery; John Delair, adultery; the P. & R. Co., entering upon a public road and not forthwith reconstructing the same; and the P. & R. Co., erecting and maintaining a public nuisance (4 counts).

The indictments against C. and J. Hogan and Robt. Brittan, conspiring to defraud, were ignored and county to pay the costs.

PRESENTMENT. The Grand Jury made its final presentment on Saturday. Of the thirty-eight indictments brought before it thirty-three were returned true bills and five were returned not true bills.

The Grand Jury was opposed to building a new jail now, found present clean and in good order, recommended the erection of an addition for sick and insane prisoners, favored the building of a poor house and advised a new county jail, to be erected on the site of the old one, and that a night watchman and light were necessary at the Keenan crossing of the P. & R. E. R. and that corporations entering on public highways should reconstruct the same in equally good condition.
