In the majority of cases these unsightly skin diseases are due to two things, weakness and disorders of the distinctly feminine organism, and impurities of the blood caused by them. The woman who suffers from disease in a womanly way will soon suffer in her general health. Her stomach, liver and other organs will fail to perform their proper functions, with the result that the blood becomes impure. Left to herself, she will probably resort to cosmetics and ointments. If she consults a physician he will tell her that the stomach or liver only is at fault. Her distinctly womanly aliment is really the first and only cause. For this she should resort at once to Dr. Pierce's Pavorite Prescription. It acts directly and only on the delicate and important buildings.
