The pathetic story of Romeo and Juliet is repeated every day in modern life, with the exception that Juliet does not die by poison. She dies because of her own neglect or ignorance.

Neglectfulness causes much of woman's peculiar sickness. Neglect of the minor troubles causes serious complications. The irregularities, the burning, dragging ache, the debilitating drains that mark the progress of feminine diseases, are passed lightly over or are borne in ignorance of their cause. Their continuance means death or insanity. This is all unnecessary. So-called female weakness can be cured. It can be cured quickly and permanently, and right in the privacy of the home without the humiliating local treatment so universally insisted upon by physicians. Dr. Pierce's Favorite Prescription does this and more. It acts directly on the delicate organs concerned and makes them strong and healthy. It banishes the usual discomforts of the expectant period and makes baby's coming easy and almost painless. It tones and strengthens the nerves. At all medicine stores.

W. R. Malcolm, Esq., of Knobel, Clay Co., Ark., writes: "My wife for perhaps four months previous to the birth of our child took the 'Favorite Prescription.' This strengthened her entire system and child-birth, to her, was very easy, being attended with little pain. Our baby built is thirteen months old and she has never been sick a day, not so much as had the colic; she is hearty and stout, and pretty because she is healthy, and we very much blame Dr. Pierce's family medicines for it.

We keep Dr. Pierce's Golden Medical Discovery, the 'Favorite Prescription' and 'Pleasant Pellets' in our home and use them. We have been married almost three years and have called a physician into my family but one time—at birth of our baby."

Rosy cheeks. The rich, pure, red blood of health makes them. Keep the blood pure and you will have them. Constipation causes impure blood. Dr. Pierce's Pleasant Pellets cure it promptly and permanently and never gripe. They are purely vegetable and perfectly harmless. No other pill acts so naturally and perfectly. Druggists sell them.

Then the Girls Fled.

(Washington Times)

It is amusing to people familiar with the Capitol to watch strangers examine it, and nowhere are these strangers so amusing as when they are in the Statuary Hall, where there are a dozen or more "echo" stones, each of which creates a different sort of echo owing to the peculiarities of the acoustics created by the formation of the ceiling. Men and woman, old and young, frequently afford the most amusing spectacles when the solemn guide exhibits the wonders of these 'echo' stones. There are two pillars on either side of the room, which are called the telephone colums, and a person speaking in a very low tone near one may be distinctly heard by one standing near the other pillar. Yesterday a member's secretary was leaning against the pillar on the south side of the hall when he heard a voice say:

"Oh, dear, what shall I do? My skirt is falling off, and I havn't got a pin."

The young fellow glanced around, saw no one near him, but saw two young women near the telephone pillar opposite. Instantly grasping the situation, he gruffly said in a low voice:

"Sew it on or use a hatpin."

He heard a slight scream, saw two young women look about the hall in a startled fashion, and, observing that no one was near, the one in distress exclaimed:

"Did you ever?"

"No, I never," replied the Secretary as gruffly as before; "I use buttons."

This was two much for the young women, and they precipitately fled.

Fighting for His Own.

A short time ago two highway robbers from Liverpool attacked an old Scotchman on the Glasgow and Carlisle road, with the intention of robbing him of all he had. The Scotchman, being a strong, powerful man, let out right and left, knocking the ruffins about unmercifully, but being two to one he was soon overpowered and his money taken.

After they had got clear away, one thief said to the other:

"I'm blowed if he hasn't nearly broke my jaw."

"I reckon," said the other, "that he's broken one of my ribs at least; but never mind. How much did yer get off him?"

After searching among some buttons, the reply came:

"Two ha'peunies!"

"Good heavens!" cried the other, holding his ribs. "How he would 'a' fought for sixpence!"

Climax Brandy of Grape.

The superior vintage of 1876 brandy introduced by the Speer N. J. Wine Co., is highly spoken of by physicians. The following testimony from the Baltimore Medical College is one among many.

"I am prepared to bear testimony to the value of your productions, and not from general reputation merely.

H. L. Byrd, President.

The whistle of a locomotive can be heard 3,300 yards, the noise of a train 2,800 yards the report of a musket and the bark of a dog 1,800 yards, the roll of a drum 1,900 yards, the croak of a frog 900 yards, a cricket chirp 300 yards, a dinner bell two miles, and a call to get up in the morning 3 feet 7 inches.

Food undigested, is poison. Digested it is life and strength. Millions of us suffer from indigestion, but we often don't know it. We think it is something else. Even doctors often mistake the symptoms.

Pale thin people, who are overworked, who need strength, who seem in want of proper food, should take Shaker Digestive Cordial. It is astonishing what food will do, when properly digested.

It will make you strong, revive you, refresh you, sustain you, make you fat, restore your color, make muscle, brain fibre, courage, endurance, energy; increase your power to throw off disease and keep you healthy and happy.

Indigestion does just the opposite, but indigestion can be cured and prevented with Shaker Digestive Cordial.
