

ier. His Spring styles are here, and he now ready for the summer trade. He is disposing of his gents furnishing goods at auction. -That prince of good fellows. Linn

pore, has embarked in the farming iment business, and will handle all kind of farm machinery. He will make a tour of the county and whatever he did: had a great deal of trouble with tells you you can depend upon as being correct. You will know him by his handsome "red" whiskers.

-Buried in a fur coat, with his hands deep in his pockets, a man passed or the boulevard a man distributing hand. Very politely but without tak ing his hands out, he says to the distributor: "Thank you kindly, my friend. But will you have the goodness to throw it on the sidewalk yourself?"-Figaro.

himself; she picked up the poker several -A Milwaukee preacher asserts that times to defend herself but he did not "nude figures on five dollar bills are attack her; he didn't try to get up when indecent." Perhaps that is so, but we never have one of these bills long he_fell: was so stunned he couldn't enough to examine it critically. But move; was on his back; didn't try to we don't think "nude fingers" would help him: insists the door was not locked; said she had bad lnck with her hus hock us very much. We have attenband; she is 69 years of age and having ded a few social entertainments where the ladies were in "full dress" and so much trouble cannot remember wore but little less than a necklace everything; does not want to be ques tioned three or four times about it; she above the belt and we still live. The said she must fight for herself as her figures on a five dollar bill that have nsband was dead and none of her stephe most attraction for us is the figure children were here. 5.-Ex

-The April fool custom arose from the mistake of Noah in sending the dove out of the ark before the water had abated on the first day of the month ong the Hebrews which answers t ford, Evans and Kaylor. our first of April, and to perpetuate the memory of this deliverance it was ight proper, whoever forgot so remarkable a circumstance, to punish them by sending them upon some ess errand similar to that inef fectual message upon which the bird was sent by the patriarch .-- (From an seen at the Reiber grocery store of this old paper.) place.

-If any of our readers moved about -A paper which reads as follows can the first of April and want the address be signed by any young man at Captain of the CITIZEN changed, they should McJunkin's office in the Armory buildwrite about it promply. And, most ing: We the undersigned, citizens important of all, do not forget to give of the state of Pennsylvania, between the old address as well as the new one. the ages of 21 and 49 years, promise to Please do not say "Send my CITIZEN to enlist in Co. E., 15th Regt. N. G. P., in Jonesville"; but adopt this form: case of war between the United States "Please change my address from Browntown to Jonesville." Then do company is sixty, and Co. E. has nearly not forget to sign your name as it ap that many members. The war number pears on your address-label. Then the is one hundred, so forty men could be publisher will bless you and you won't taken in, and 10 have signed the paper already.

-To be a success a man must be au -At the meeting of Council, Tuesenthusiast. He must devote himself to day evening, ordinances viere passed a single purpose, and dedicate himself providing for the sewering and paving to his task. Napoleon says of war that of E. Clay St., from Franklin to Elm it is the science of the concentration of streets-the proposed ordinance for force. Success in anything is concen- paving W. North St. was held over un tration of energy. Edison could not be til next meeting-the petition for sewer a great inventor and a great orator or on Chestnut St. was referred to sewer post at the same time. To attempt all committee-the fin ance committee estiwould be to divide his power and make mated the receipts of the borough for him mediocre in all. To excell in one this year at \$13,400, and the expenses at thing is enough. There is always a de- the same, allowing \$3 000 for electric street mand for the man who can do some-thing better than any one else. There-fire department—the stagnant vrater on fore, my son, concentrate your ener-gics. In the department—the stagnant viater on the island was reported by the Board of Health to be a nuisance. In show completely the air currents con-trol the weather. It will probably prove disastrous to the fruit.
