have heard it or to read it, may save a woman her own life or that of her husband. The medicine is the discovery of Dr. R. V. Pierce, an eminent and skillful specialist, for thirty years chief consulting physician to the great Invalids' Hotel and Surgical Institute, at Buffalo, N. V. It is known as Dr. Pierce's Golden Medical Discovery. It makes the appetite hearty, the digestion perfect, the liver active, the blood pure and rich, the nerves steady, the brain clear and the body strong. It is the great blood-maker and fiesh-builder. It cures 95 per cent. of all cases of consumption and diseases of the air-passages. It cures nervous diseases and is the best medicine for overworked men and women. A woman may save her husband's life by keeping a bottle in the house, and gettinghim to resort to it when he feels out-of-sorts. All men are heedless about their health. Medicines stores-sell it. Doctor Pierce's reputation is world-wide, and his "But it is so with all things old, that are not too old, including habits. We cling to them so long as they give us comfort, and we hate to change. We are creatures of habit, who would if we could follow to the end along the first comfortable rut we fall into, and never look out above its sides. And it is well for us that our shoes wear out, and that we have to buy new ones and wear them; that we are in various sorts. All men are heedless about their health. Medicines stores-sell it. Doctor Pierce's reputation is world-wide, and his fellow townsmen, of Buffalo, N. Y., think so highly of him that they made him their representative in Congress, but his great that honorable position that he might devote the remainder of his life to the relief and cure of the sick.
