For your flag, for your country—your country, right or wrong. If I had my strength, I'd break off with a muffled drum.

"Why don't you enlist, Humph?" said the Man in Politics, with an airy wink at his comely neighbor who was leaning on the bar.

"I can't make nothing out of it," said the other, "I'd rather stay at home and be a good citizen."

"You're a good citizen," said the Man in Politics, "but you're not a good soldier."

SONG OF THE WHIPOORWILL.

When the evening shadows gather 'round the woodland glade, and the nightingale has sung his last note, then the whipoorwill comes to the fore.

From the valley and the hill, comes a song of sweetest melody, 'tis a note of peaceful gladness, 'tis a note of peaceful gladness.

And you thought I was a bird, but I am a whipoorwill, I am a whipoorwill, I am a whipoorwill.

Through the mist of years I've lived, through the mist of years I've lived, through the mist of years I've lived.

And the heart throbs with the fancy of youth, and the heart throbs with the fancy of youth, and the heart throbs with the fancy of youth.

Through the mist of years I've lived, through the mist of years I've lived, through the mist of years I've lived.

And the heart throbs with the fancy of youth, and the heart throbs with the fancy of youth, and the heart throbs with the fancy of youth.

Through the mist of years I've lived, through the mist of years I've lived, through the mist of years I've lived.

And the heart throbs with the fancy of youth, and the heart throbs with the fancy of youth, and the heart throbs with the fancy of youth.

Through the mist of years I've lived, through the mist of years I've lived, through the mist of years I've lived.

And the heart throbs with the fancy of youth, and the heart throbs with the fancy of youth, and the heart throbs with the fancy of youth.

Through the mist of years I've lived, through the mist of years I've lived, through the mist of years I've lived.

And the heart throbs with the fancy of youth, and the heart throbs with the fancy of youth, and the heart throbs with the fancy of youth.

Through the mist of years I've lived, through the mist of years I've lived, through the mist of years I've lived.

And the heart throbs with the fancy of youth, and the heart throbs with the fancy of youth, and the heart throbs with the fancy of youth.

Through the mist of years I've lived, through the mist of years I've lived, through the mist of years I've lived.

And the heart throbs with the fancy of youth, and the heart throbs with the fancy of youth, and the heart throbs with the fancy of youth.

Through the mist of years I've lived, through the mist of years I've lived, through the mist of years I've lived.

And the heart throbs with the fancy of youth, and the heart throbs with the fancy of youth, and the heart throbs with the fancy of youth.

Through the mist of years I've lived, through the mist of years I've lived, through the mist of years I've lived.

And the heart throbs with the fancy of youth, and the heart throbs with the fancy of youth, and the heart throbs with the fancy of youth.

Through the mist of years I've lived, through the mist of years I've lived, through the mist of years I've lived.

And the heart throbs with the fancy of youth, and the heart throbs with the fancy of youth, and the heart throbs with the fancy of youth.

Through the mist of years I've lived, through the mist of years I've lived, through the mist of years I've lived.

And the heart throbs with the fancy of youth, and the heart throbs with the fancy of youth, and the heart throbs with the fancy of youth.

Through the mist of years I've lived, through the mist of years I've lived, through the mist of years I've lived.

And the heart throbs with the fancy of youth, and the heart throbs with the fancy of youth, and the heart throbs with the fancy of youth.

Through the mist of years I've lived, through the mist of years I've lived, through the mist of years I've lived.

And the heart throbs with the fancy of youth, and the heart throbs with the fancy of youth, and the heart throbs with the fancy of youth.

Through the mist of years I've lived, through the mist of years I've lived, through the mist of years I've lived.

And the heart throbs with the fancy of youth, and the heart throbs with the fancy of youth, and the heart throbs with the fancy of youth.

Through the mist of years I've lived, through the mist of years I've lived, through the mist of years I've lived.

And the heart throbs with the fancy of youth, and the heart throbs with the fancy of youth, and the heart throbs with the fancy of youth.

Through the mist of years I've lived, through the mist of years I've lived, through the mist of years I've lived.

And the heart throbs with the fancy of youth, and the heart throbs with the fancy of youth, and the heart throbs with the fancy of youth.

Through the mist of years I've lived, through the mist of years I've lived
