THE CITIZEN

UBAN CAMPAIGNING. PANISH-INSURGENT WARFARE DE-SCRIBED BY A CUBAN COLONEL,

The Cuban Soldiers Heroes in the Eyes of the North if They Are Poorly Armed and Fed and Weak in Numbers-Gave up Land you are the and Possessions to Join Insurgent Army. The Cuban soldiers, poorly armed and poorly fed and weak in numbers. have become heroes in the eyes of the kind North. True, we have heroes

among us, and we all try to fight brave-ly for our country. We willingly give up lands, professions and quiet to join t the things which mos her future happiness. to any weakness of the p lands, professions and quiet the torn ranks of the little army; and we win many wonderful victories. d. make it business to see that this is properly cor-rected, and that she starts upon womanhood's career with full womanly strength and capacity. She will bless you for it all

her life. There is no need of "examinations" and "local applications." Sound professional advice may be obtained free of charge, by writing to Dr. R. V. Pierce, chief consulting physician to the Invalids' Hotel and Surg-ical Institute, of Buffalo, N. Y., whose hists versal company of this position ent. Boys of 17 and under are forced they have no real feeling of enmity. They are rushed about through a coun-

physicial to the invalues' hoter and Surg-ical Institute, of Buffalo, N. Y., whose thirty years' occupancy of this position has made him recognized atmong the most eminent of living epecialists in the treat-ment of woman's diseases. Every case submitted to him by mail re-ceives careful consideration. Efficient and inexpensive home-treatment is prescribed whereby delicate, feminine complaints may be promptly alleviated and cured. Dr. Pierce's Favorite Prescription is the only proprietary medicine in the world designed for this special purpose by a regular physi-cian-an educated, experienced expert. Miss Cora L, Russel, of Leemont Accomac Co. Va., in a letter to Dr. Pierce, says: "From April, 1856, unit the following October, I sufferd se-verely from palful menerusation. For about twelve hours before the appearance of the meness I would feel gidly, have a severe headache, pain my back, In fact Vielt as if every hone in my body was breaking. Nothing did me any good I wrote to Dr. Pierce and he recommended his "Parorite Prescription," and alter using three boties of it I am giat to say I am cared."

time of peace he uses it to cut cane and firewood, and as a tool in carpentry work; but when he rides to war it be-comes more deadly than the American comes more deany that the old-time rapier, army sabre or the old-time rapier. Every countryman, white or black, owns a machete, so in this respect our men are easily armed. Many of our cavalrymen are without carbines, but

Specifics act directly upon the disease, without exciting disorder in other parts of the system. They Cure the Sick.

ROAD

A Remarkable Fact.

These victories are due, to a great ex-These victories are due, to a great of tent, to the fine qualities of our own men-to their dash and skill-but partly to the inexperience of the troops sent against us by the Spanish governtake up arms against men for whom

They are rushed about through a coun-try they do not know; they are treat-ed like dogs by most of their officers, and harassed by us from daylight till dark. Few of their old troops are left to fight us. They were men of mettle and knowledge of wartare, and often proved too much for us, man for man. But the core recentles are fighting unbut the new recruits are fighting unwillingly, in a cause they do not love and if we have any pity to spare from our own people it is for them. The Cuban in his early boyhood is

trained in the use of the machete. In
