—Rabbit fur is now an important commercial article. It is known to the trade as electric seal, and when dyed so closely resembles the genuine article that only expert eyes detect the difference. It is said that \$500,000 is invested in rabbit culture in England. There's no. danger of exhausting the rabbit crop in the way that has been done with the fur seals.

—A foreigner studying the English language would find some perplexities in learning the meaning of the word "fast." Fast means to abstain from food, to eat little or nothing; but a "fast" young man is one who eats and drinks to excess. Fast means to be stuck—firmly fixed to semething, so as to be unmovable. It also means to go swiftly, to move rapidly. In the sent-

# Get Out of That Old Suit

and get into one of the handsome man-makers we always carry in stock. You pay no more for up-to-date goods at this store than others ask for shelf-worn goods of a shoddy texture. Then we have all sizes of clothes for all sizes or boys, and a variety to suit all tastes.

Did You Say Overcoats? Well, just step up to the Overcoat Department and see the assortment. You can't go away dissatisfied either as to the price, quality or style.
