be glad to have the two commissions S. Senate from Pennsylvania. dine together. The reply, which, like the invitation, was conveyed diplomatically through a third party, was that the Spaniards would be most pleased, but feared it would be inadvisable, bese it might be misconstrued at Madrid, where already much feeling existed against the commis

from all the colonies. The Spaniards are to return all prisoners held by them. Those who favor an early primary say that a larger turnout can be had when the road and the return all prisoners held by them. They are to retain possession of all military stores and munitions of war in the Philippines and of such ships as have not been captured. The commercial treaties between the two nations, which the war ruptured, are to be renewed at the convenience of the two nations. The protocol makes nearly 600 typewritten pages.

The Protocol makes nearly 600 typewritten pages.

The Litter States commissioners in the sarly primary and cannot be received in a full measure and running over. The addresses were all so interesting and so full of helpfulness that we beg space in your valued paper to quote a very small part of each one as we come to them. The institute was opened by prayer by Rev. Shumaker of Prospect Pa., after which the audience arose and sang that grand old song "My country tis of these." Old it certainly is but, oh, how sweet and patriotic it is, and as one of the speakers later on in the afternoon not be in Butler every Saturday and on the speakers later on in the afternoon and entertainment had been received in a full measure and running over. The addresses were all so interesting and so full of helpfulness that we beg space in your valued paper to quote a very small part of each one as we come to them.

The protocol makes nearly 600 type-written pages.

written pages.

The United States commissioners have been almost overwhelmed with offers of dinners in England, prompted by the desire of prominent Englishmen to emphasize the Anglo-American entente, but they will remain in Paris until the day before sailing for the United States. They will make formal calls upon President Faure and high official hospitallity. Unofficial hospitallity. Unofficial hospitallity to the tallity. Unofficial hospitallity to the United States commissioners has been ostentatiously lacking in Paris.

Those interested should talk the ter over and when the county committee meets have a date fixed that will favor no one at the expense of another.

JUSTICE.

Extraordinary precautions are main-

tained by both the peace commission to preserve secrecy as to the contents o the treaty. Each commission has two ies, but even the commission athes are not permitted to persue th nents. The correspondent of the Associated Press, however has obtained from a source usually reliable the following outline of the treaty: Article 1 provides for the relinquish

Article 2 provides for the cession orto Rico. cle 3 provides for the cession of ilippines for \$20,000,000 as com-

pensation.

#### Unionville Local Institute.

Saturday. Dec. 3, was one of those Saturday. Dec. 3, was one of those beautiful sunshiny days which has a tendency to make one feel bright and happy, and this seemed to be the condition of the hearts of all those who gathered in the Presbyterian church at Unionville on the afternoon of this day to attend the local institute held there. The church had been tastefully decorated with pines by teachers, scholars and a few friends of the school, and presented a pleasing and welcome apwith become a gent renecting your character."

A quartette was next sung by Misses Jennie McCandless and Clare Thompson and Messrs. Thompson and Campbell of Mt. Chestnut. This was followed by a recitation by Hattie Glenn which was pronounced splendid. Rev. Shumaker was then called and responded promptly. As usual his discourse was interspersed with funny sayings.

Miss Blanche Holman recited, "Trouble in the amen corner," and received a goodly share of applause.

Little Esther Glenn is a nice little speaker and did exceedingly well when Several members of the United States commission were inclined to publish the text of the treaty, but Senator Frye made a strong plea yesterday for the observance of courtesy toward the United States Senate, and his arguments prevailed. Further details have been learned as to the wording of the treaty, which provides that Cuba is to be relinquished and that Porto Rico are to be ceded. The Americans are to pay for the repatriation of the Spanish troops from all the colonies. The Spaniards are to return all prisoners held by them. They are to retain possession of all military stores and munitions of war in the led early, now that may be true in regard to the Republican through the columns of the press in regard to the Republican through the columns of the press in regard to the Republican through the columns of the press in regard to the Republican through the columns of the press in regard to the Republican through the columns of the press in regard to the Republican through the columns of the press in regard to the Republican through the columns of the press in regard to the Republican through the columns of the press in regard to the Republican through the columns of the press in regard to the Republican through the columns of the press in regard to the Republican through the columns of the press in regard to the Republican through the columns of the press through the columns of the pression through the columns of the pression of the pression of the spanish troops the desire on the part of some to force another mid-winter oset those interested thinking.

had to retreat.

A good-night song then closed one of the best local institutes ever held is Butler county. Everybody went hom feeling that their time had been we Mr. McCandless is certainly to b congratulated on the excellent pro-gramme which he had arranged. The speakers secured for the occasion were fine and their addresses were highly

excellent training of the little folks, and Mr. Harper and the speakers thanks for the interest manifested and their part in making the institute the decided success it certainly was.

IVA E. MILLER speaker came forward one by one, while a large letter, and in a neat little speech presented it until the word "Welcome," was formed. We are sure every one appreciated this quaint little welcome judging from the hearty way in which it was received. This was in which it was received. This was followed by the address of welcome given by Miss Nannie Glenn, teacher of

QUAY has got his trial postponed un given by Miss Nannie Glenn, teacher of the primary school here. She extended to all, in the pleasing manner natural to her, a sincere and heart-felt wel-come. In speaking to the parents she said. "We are especially glad to see you here. The school is a branch of the home. Too often the teacher knows too little of the home, and the home too little of the teacher. But however this may be, I give you all a hearty welcome." til a date after the Republican caucu is generally held for naming a United States Senator. This looks bad-and it is difficult to see how any member now and yote for him-for, if after s voting Quay should be convicted, wha then? Many Republicans are now ver aptly saying, "no trial no caucus.

earty welcome."
Miss Minnie Conn, of West Sunbury responded to this in an able manner.

After thanking the speaker in behalf of those present for the welcome accorded, she said that an institute is not a place of amusement only but a place of instruction. Further on in her address she asked the important question "Do teachers realize their responsibility as We are sowing the s

ow which in future will bear fruit in the heart of some child."

Col. John M. Thompson, of Butler was called and came forward amid applause. The Colonels addresses are all ways fine but this one was exceptional

ways fine but this one was exceptionally good and as he expressed in words the thought and opinion of so many present it was well received. He impressed upon the teachers their responsibility and spoke of the delicate task and beautiful work intrusted to them. For education, he said go hand in hand. The teacher should be very careful of his language in the hearing of his scholars, as children can be

careful of his language in the hearing of his scholars, as children can be taught to talk by example. The teach er teaches more than book learning and needs to be kind, generous and considerate, that he may command the friendship of all.

Mr. McCandless in preparing his programme was yery fortunate in securing

Mr. McCandiess in preparing ins programme was very fortunate in securing Prof. Cyrus Harper, of Butler, to sing at the institute, for his singing was appreciated by all.

Mr. Harper after Col. Thompson's above the programme of the programme of

Mr Harper after Col. Thompson's ad-dress, sang that sweet song with the pretty story attached: "The Heaven-ly Railroad," and all joined with him insinging the chorus. This was followed by an interesting address by John D. McBride, of Trail Pa., "Eternity," he said, should be the goal of all, and let us as teachers im-print this months with a four number.

print this upon the minds of our pupi Let us all work together, for, "In Uni there is Strength."

Four of the little folks then sang a little song, entitled "Why parents don't visit the school," and we are glad tha

visit the school," and we are glad that so many of the parents were present to hear the merry wee folks give this gentle little reminder and hope that many more of them will visit our schools now. Prof. Cheesman, of Portersyille, took for his subject, 'Reading between the lines." This talk along this line was very interesting and helpful. He said in part: "The importance of reading is one point that all can see without difficulty. Every teacher should be a method unto himself but he should however, be acquainted with other YOUR SUIT

be a method unto himself but he should however, be acquainted with other methods.

Let the scholars help themselves, and teach them to be independent," One suggestion the writer thought particularly good was that of having the pupils do some memory work. Have them learn poems, such as "Thanatopsis," and The Psalm of Life."

Prof. Christley, of Butler, gave an address which was full of good points and good thoughts. Some of them were. "The common school because it and good thoughts. Some of them were. "The common school because it
