WANTED --- A Reliable MAN

CHARLES H. CHASE, Roche

The stern man isn't always behind in business affairs.—Chicago Daily News. Farmer-"What are you doing in my apple tree?" Thief-"Excuse me-I just fell off a balloon."—Fliegende Blaetter. Old men go to a great deal of trouble dying their mustaches, considering that they fool neither women nor

death.—Atchison Globe.
"I wonder what makes him lean back so far?" "Him? He's had military curvature of the spine ever since he got out of the army."—Cincinnati Enquirer. First Alderman-"If we vote for this bill we shall never have another chance to hold office." Second Alderman— "Huh! We won't need to!"—Cincinnati

to have him killed off in the early years of manhood by the dread disease consumption.

Until recent years consumption was considered an incurable disease. Now it is known to tens of thousands that Doctor Pierce's Golden Medical Discovery cures of per cent of all cases if taken in the early stages of the disease. It also cures bronchitis, laryngitis, throat and nasal troubles and all allied diseases of the air-passages. It is the best blood-maker and fless-builder, the best general tonic and nerve restorative. It gives a keen edge to the appetite, corrects the impaired digestion, promotes the flow of digestive juices, facilitates the production of chyle in the lower stomach, or intestines, invigorates the liver and purifies and enriches the blood. It tears down old and inert tissues and builds up new, firm, muscular tissues of health. It strengthens the heart's action, promotes the circulation of the blood to every part of the body and deepens the breathing, thus supplying the blood with vitalizing oxygen. Thousands have testified to its merits. The dealer who offers something else as "just as good" is dishonest.

"I never was very strong and then I had Ia Grippe." writes Mrs. Grade C. Smith, of 480. Enquirer.
Mrs. De Sour-"I want you to keep your dog out of my house. It's full of fleas." Mrs. De Smart—"Mercy on me! Fido! come here, sir! Don't you go into that house again. It's full of fleas."-Jewish Comment.

"I hear it's afl over between you and Miss Kittisn." "Don't you believe it I've been trying for three weeks to get my ring back, and there's going to be trouble if she doesn't yield it up pretty. soon."-Cleveland Leader. "I should think some gentleman

might give that woman a seat," said one man. "Why, all the gentlemen in this else as "just as good" is dishonest.

"I never way strong and then I had La Grippe." writes Mrs. Gracle G. Smith, of 480 18th St. Salem. "I had a couph and the strong of car are standing now," said the other. Then they looked at the man who was seated.—N. Y. Commercial Advertiser. First Boy-"Is that a good house dog?" Second Boy-"No." "Good bird dog?" "No." "Good for rabbits?" "No." "Good for rabbits?" "No." "Knows some tricks, perhaps?" "No." "What is it good for." "Nothin', only to take prizes at shows."—Pearson's Weekly.

"I like to go across to Mr. Franks-town's," said Mr. Bellefield to Mr. Bloomfield. "He doesn't talk me to death about what ought to be done with the Philippine islands." "Do you know why he is silent on the subject?" "No; why?" "He doesn't know how to pronounce the proper names."-Pitts-burgh Chronicle-Telegraph.
