CARLOS IN THE BULL RING. Perilous Adventure of the King of Portugal in His Youth. Before he became a benedict, Dom

THE CITIZEN.

would enter incognito, not as a specta-tor, but to take an active part in the dangerous game. Now, in the Portu-guese method of bullfighting neither bulls nor horses are killed, and to pre-tor to the poclificity of a bull coving Two hearts can make a love affair, but it fakes three, at least, to make a home, and young married couples that start out in life with the idea that children are nulsances and that they do not want and will not about every day in the newspapers-in the is not a home. God and Nature never is not a home. God and Nature never that did not resound with the patter of that did not resound with the patter of the wife and would be mother. There are tenidless because of the il-health of the wife and would be mother. There are the failed on the shave died al most so con as they were born. In book as of the wife and mother homes child post as soon as they were born. In book as the delicate and Important organs that the delicate and mother three pre-pare in the expectant period marks of maternity. It banishes the usual dis of maternity. It banishes the usual dis of maternity is a strong view of the pre-ses. It insures the little new comers is aboys advent easy and almost pain tess. It insures the little new comers is the delicate, and bless this great medi-tioned the set in the pre-ses. It insures the little new comers is the frescription " and gives her child at marks there is prospective mother pre-pare is a baby s divent easy and almost pain tess. It insures the little new comers is a the pre-pre-to the set is a torog it a strong with the delicate and babys this great medi-present in life by giving it a strong with were childless, to day echo with a strong were vent the posibility of a bull goring a horse which he may happen to corner, his horns are covered with padded guards. One element of danger which is present in the Spanish method is thus removed from the Portuguese clothes."—Puck.

thus removed from the fortugated rings; though even without this partic-ular peril there are plenty of short cuts to the other world left open to the daring. Now, Dom Carlos is nothing if not brave, so when one of the court She (fishing for a compliment)— "Who do you think is the belle of the evening?" He—"Aw, weally, do you know, I was just saying to Jones that there wasn't a decent looking girl

beauties rallied him on taking the poor animal at a disadvantage, and thought lessly dared him to face a bull with "John has five oranges, James gave herein a sharp, unguarded horns, the king gal-lantly replied that he would do so at the next bull fight, and invited the recent to witness his or the bull's tri-

umph from the royal box. Now, the regulations of the ring strictly enjoin that no bull is to be fought in Portugal that no bull is to be fought in Portugal "with points unbated;" but, in face of a royal wish, regulations have a way of becoming elastic. Orders were given, therefore, that a bull was to be a set of the set. becoming elastic. Orders were given, therefore, that a bull was to be ad-mitted to the arena in full, untram-melled possession of all his natural weapons, offensive and defensive. Dom Carlos took his stand before the swing-ing doors and waited with the follow sir."

ing doors and waited with the frilled

attempt, and this one did as others do.

attempt, and this one did as others do. It stopped, snorted angrily and threw up the sand with its front hoofs. The king waved his arms, made a feint to lure it on, and then, as it charged again, sprang to one side to avoid it; but in the very act of his arging slipped on a wet place left by they fall far below the United States, Great Britain and Australasia. In 1897 spring slipped on a wet place left by the watering hose—and fell! The whole audience rose with a simultaneous cry of horror, for though Dom Carlos, of course, fought incognito, every-one knew who the too bold banderllero ever, prepare and export a great deal was. Another fighter waved his red capa in the bull's face; the animal's at-tention was diverted for a second, and that foreigners hold in the islands. Of the 135,000 acres, about one-sixth of the tention was diverted for a second, and the king rose. The bull saw the move-ment, and taking no further notice of the enticingly waved cape made once more for his first adversary. It was run, king, run bull to the barriers, and, fortunately for his country, the king

cleared the timbers of the barricade the bull's horns knocked splinters out of the woodwork a few inches below. "Yes," concluded Dom Carlos, with a smile, "I fancy I did those 25 yards or so in very good time." And then, with a downward glanee of self-criticism, he addad "I don't think I should stand

majesty, and I felt that even to gratify a king I could not honestly say "yes." -Cassell's Magazine.
