WHY DOES A Farmer Add Phosphates To His Farm.

To aid and stimulate nature. The human system is just the same as farm; nature at times needs help, and there is nothing that equal-little good whiskey to tone up a ran-down system, to build up strength bring back vitality, and to make a man feel that life is worth living after all. All whiskies are good, but some are better than others. We sell only the best, and guarantee them to be absolutely pure, and free from all impurities.

Here are some of our prices:

Anchor Rye, a good whiskey for the money ..... \$2.00 a gal. Cabinet Rye, can't be beat ..... Bear Creek Rye, a very fine whiskey ..... \$4.00 a gal Gin, Rum, Kummel, Brandy \$2.00, \$2.50 and \$3.00 per gal.

We have some very fine California wines of 1892 vintage— Port, Sherry and Angelica at \$2.00 per gallon. They are of good body and of exquisite flavor.

Remember that we pay expressage on all orders of \$5.00, and over except where a transfer is necessary from one-Express Company to another, when we pay expressage to, point of transfer. MAX KLEIN.
