In these temporary morgues the sights resuch as to touch the hardest heart, the sight of the Some progressive American manu

possessing the courage to exhibit and vertise their wares in all markets, have astonished the manufacturing world by selling their productions in Europo, Asia, Africa and the islands of the sea against the competition of everybody. American locomotives haul trains in England, Russia, China and Japan. American rails are being introduced everywhere. An American bridge is about to span the Nile. American bicycles glide over all the highways of sycles glide over all the highways of tapped. In some cases some houses over them collapsed and there they were entrope, and American sewing and type-tombed. To add to the horror of the formed. Europe, and American sewing and typewriting machines are without success ituation fires were started here and here by overturning stoves and many wounded, unable to drag themselves not of danger, suffered death by burnful competitors anywhere. se form but a few of the articles of American manufacture, however

facturers, backed by large capital and

and in order that all American manu Outlying residences in the path of the outlying resatences in the part of the storm were stripped of shingles and boards or sides were blown off, or, as more frequently happened, were torn asunder, and the fragments were scat-tered to the four winds of heaven. facturers may exhibit goods to foreign nrcbasers where all the world may ave a chance to see the display the National Export Exposition, to be held Trees were uprooted and roadways blocked, washed away or so overflowed as to be made entirely unrecognizable. Along the broken fragments of their homes the people wander, helplessly, striving somewhat aimlessly and hope in this city next autumn, has been de nined on, and the project is now so well under way that its opening on schedule time is assured beyond a perdventure. Furthermore, the manage striving somewhat aimiessly aim nope-lessly to gather together what had been left to them. On the east and west limits af the city many houses were still standing with little or no damage, and to these homes the occupants welcomed their less-fortunate neighbors and friends eighing them such aid as was of the Exposition are advertising the undertaking in all lands and languages, with the effect that representatives from notest corners of the earth have already signified their intention to be They are coming by the friends, giving them such aid as thousands to see for themselves what the United States can offer them of the

friends, giving them such aid as was possible and the sympathy that is so much to stricken souls.

It is the average resident of New Richmond who estimates the loss of life most seriously. They claim that hundreds are missing who were buried in the rains, and there incinerated. One such is C. A. Nelson, who owned the Columbian restraints. ngs they need for daily use.—Philadelphia Times. AT Manchester C. H., Kentucky, last is C. A. Nelson, who owned the Columbian restaurant, located on Main street. His estimate of loss is 400 dead. He says when the rainstorm, which preceded the cyclone, broke, not less than 20 persons rushed into his place for shelter. He is positive that not more than four besides himself escaped. The building was a substantial frame structure. When he heard the roar he rushed for the rear door, but could not open it. He then threw himself flat under a heavy molding board and shoved it against the side of the bake oven. In an instant aturday the county judge granted Tom Baker, the leader of a faction. change of venue, on a charge of murder and a moment after he left the Court House he was shot and killed from a gindow in the Sheriff's house, across the street, though surrounded by an armed guard. Prospective War in South Africa. The relations between Great Britain he side of the bake oven. In an instant the crash came. The ruins tumbled about his head and left him just space enough to crawl out. In the shop was Mrs. Broadbank, who was killed. Nel-son found only four alive. He could and the Transvaal was the absorbing tical topic in London last week.

Wonderful Western Storm.

The business portion of the town of New Richmond. Wisconsin, covered a space of four squares each way, and was built solidly of brick and stone. This entire space was swept clear by the storm Tuesday evening, foundation walls and in some paces masses of debris alone marking where the business places formerly stood. Trees that had lined the streets of the neighboring residence district were broken clear off or twisted and uprooted.

The tornado some people from the parish school house and hurried them into the cellar of my house. They begged for absolution and I knelt down and gave it to them. Even as I prayed at the could hear the crashing and hissing sound as house after house collapsed.

POLITICAL.

The Republicans carried Huntingdon and Lebanon counties, last Saturday; and the county of the general and terrific war last the crashing and hissing sound as house after house collapsed.

above the cenar windows, stayed as above a foundation wall was shaved as clean as though it had been cut with a Kennedy of Pittsburg and Judge Smith Plane.

Enormous iron safes were blown into the middle of the street, and the largest safe in the town was carried across one

HARRISBURG.

General Frank Reeder, of Easton, whom ex-Scuator Quay has slated for Chairman of the State Republican Committee, is haying a hard time finding places for his lieutenants. For a while Governor Stone gave him everything he asked for, but he wanted so much that the Executive finally shutdown on him, that someone else might have a chance. Governor Stone has rewarded Sol A. Bacharach, of Wilkesbarre, for his service to the machine at the recent primaries for State delegates in Luzerne county by appointing him assistant executive cierk. The place pays \$1,800 at year, and is a sinecure for one who is not a stenographer and typewriter. The law requires that the appointee shall

It will be several days before the number of dead in New Richmond is accurately known, and it is doubtful if the entire number of fatalities will ever be chronicled. In the path of the storm both to the northeast and southwest of the most active Quay workers in Luzerne county, and for the past twyears he has been carried on Uncle Sam's pay roll as a Deputy Marshal

The decision of Judge Weiss in declaring unconstitutional the act prohibiting the discharge of Union soldiers from public positions unless for cause gives Governor Stone an opportunity to get rid of certain "objectionable" State employes whose places are wanted by more active party workers. These employes have been protected by this law, and the Governor did not want to remove them, through fear of incurring the displeasure of the McKialey Veteran League, of Dauphin county, which has been organized to protect such persons. He has nothing to fear now from this source, since the act has been declared invalid, and some of these employes are confirmed.
The assassination of Gen. Luna

sardines, a pound of crackers of a part of shoes.

Almost every family has one or more members among the dead, injured or methods can do for a country. Mexico by her energy, industry and honesty has won the confidence and faith of the tern or torch for loved ones, who may be buried in the piles of debris on every ly the money kings. Brazil on the otherwise With frantic energy the search was conducted all day, and up to 9 o'clock 54 bodies had been found, although the number of dead certainly will reach 100 or more. These have for the most part been taken to the Catholic aud Congregational churches, which, although in the very edge of the storm's path. mirraculously escaped its fury.

as the grief-stricken living recognize in bodies norribly mangled and often dismembered the remains of missing dear DERS.

Names of the Principal Brand Sold in this Vicinity.

SPECIAL

FROM

C. E. MILLER.

THE SHOE MAN!

Always Busy Looking After Your Interests. Studying Your Wants. Trying to Please.

Shoes Are What We Sell!

been otherwise. Special care was given the selection of our spring goods and we feel safe in saying that our stock was never better, and from the amount of new customers we have made this spring, the trade has appreciated our efforts by a very liberal patronage.

senger Trains in effect May 14, and Boys, than we ever had, both in tan and black. Our Working Shoes for \$1 are fully equal to \$1.25 shoes sold elsewhere. What Two Dollars will do.

> \$2 shoes as we can today. Come in and see them. They are beauties beyond description. What Three Dollars will do.

WHAT WE WILL DO.

is a very appropriate name for

GOOD LUCK PERFECTION CIRCLETTES.

To show you how much we think of them we will not allow a pair of shoes to go out of our store without Good Luck Perfection Circlettes in the heels, the expense to us is small, the returns are great, don't take a pair of shoes without them for your shoes will keep straight and wear one half longer than without them.

C.E. Miller

Being Added Continually, P. C. Building, Butler, Pa. White Rims.

You've Noticed Them. They are a distinctive mark of the easy running high grade Aleazar.

A white rim may be no better than most other rims but it is a sign of a wheel which is a great deal better than most other wheels, which has more good practical mechanical ideas embodied in its construction and gives more satisfaction and less trouble fo the rider than other wheels.

Keep your eye on the White Rimmed E. EVANS & SON
