The best mode of proceedure in order to get the whole county interested in the Centennial, was fully discussed and after several ways were considered it was decided to request the Justices of the Peace in the different townships and towns, outside of Butler, to call meetings and have their districts represented by two delegates in a County Convention to be held in Butler on November 21st, to fix a date for celebrating the Centennial.

Convention to be held in Butler on November 21st, to fix a date for celebrating the Centennial.

This will give plenty of time to the townships and towns to hold their meetings and no doubt the Justices appointed will see to it that the meetings are called at an early date and the two delegates sent from each township and borough to the Convention, Nov. 21.

Let us all work together and make the celebration one worthy of our county and a full success.

The Committee adjourned to meet at the call of the Chairman.
